DR. AYER'S LUNG AND THROAT INSTITUTE,

No. 30 WEST FOURTH STREET.

The following letter is from one of our well known merchants. Whatever he indorses must be of sterling value. It is well worth reading:

CINCINNATI, February 13, 1859.

About a month ago I called at Dr. Ayer's "Throat and Lung Institute," 30 West Fourth street, for treatment for Tonsilitis and Chronic Inflammation of the Throat. The tonsils and uvula (or palate) were so much enlarged that there seemed to be but one course to pursue, and that was to cut them off; this I had been told by other physicians, who had also candidly told me they could not cure me. Dr. Ayer made a careful examination and pronounced excision unnecessary, and prescribed Medicated Inhalation and topical applications, with general treatment, and the result is a PERFECT VARIETY! The inflammation has been allayed, and the tonsils and palate reduced to their natural size and position. I now have no soreness or difficulty whatever of the throat, and FEEL THAT I AM NOW PERFECTLY WELL.

I cordially commend Dr. Ayer as a skillful and competent physician in his speciality, and worthy of all confidence. His mode of treatment is rational, pleasant, and certainly in my case successful, and I have every reason to believe the Doctor is equally successful in all other cases while I have been under treatment at the Institute.
