L. MUNSON'S

Supporting Truss,

THE Subscriber wishes to bring before the public his patent

DOUBLE & SINGLE SUPPORTING TRUSS,

recently invented, that is found to answer the end of such an instrument more completely than anything hitherto introduced. It is heartily commended by Physicians, to their patients afflicted with hernia or rupture. There is but one opinion of it wherever tried, and he has the assurance that it will be found a blessing to those suffering from this complaint. From among his friends who have used the Truss, he has been favored with many cheerful and unqualified testimonials, which will, perhaps, be some index of its appreciation and merit.

His Trusses are also for sale by Geo. Willard, Ashtabula; W. R. Allen, Jefferson; Brettell & Latimer, Rock Creek, R. E. Stone, Orwell, and by the subscriber at his residence in Saybrook, Ohio.

THE ELASTIC

Spring Bed Bottom,

FOR HEALTH, COMFORT, ELASTICITY DURABILITY, CHEAPNESS & CLEANLINESS HAS NO EQUAL.

It saves that dreaded daily task of shaking up heavy beds. Neither is there any place where that everlasting pest, the bed-bug can hide and breed.

The most intelligent and wealthy families prefer them.

With a light mattress or some quilts lain over them, they make a soft and

Cool Bed for Hot Weather!

THEY MAKE NO NOISE.

This bed is not only a luxury to the healthy person, but it is especially so to the invalid, who from illness or infirmity are more or less confined to their beds. One can scarcely realize the relief and comfort a sick person enjoys in being changed from a common bed to one of these.

I have Certificates from the pastors of every congregation in the village, and from our bankers, physicians, merchants, hotel-keepers and others recommending this bed in preference to any other in the market. Several that were using the "Tucker Spring Bed," substituted these in their place; some using spring mattresses costing $28, substituted these for them. This bed is considered by all equal, and by some

SUPERIOR to the WIRE WOVEN MATTRESS

which costs $15. Most every spring bed in the market, that is of any use at all is sold at from $10 to $15.

I sell the "Elastic" which gives

BETTER SATISFACTION

than any other, for $7.00.

Orders for these Beds supplied promptly by the undersigned, who is sole owner of the Patents, and manufacturer of them.
