PUTNAM FEMALE SEMINARY.

NEW ARRANGEMENT.

The Trustees of this Institution are happy to announce that they have accomplished a long cherished purpose of placing the school in charge of a gentleman.

Mr. and Mrs. Franklin Wood, who are to take the superintendance, have had a long experience as teachers, and have the most ample and satisfactory testimonials as to character and fitness, and the Trustees feel great confidence in assuring the public that, under their administration, the Institution will not only maintain its long established reputation, but take higher rank among the excellent Female Seminaries of Ohio.

The Teaching Corps will be full and strong. Regular courses of lectures in the Natural sciences will be given, and other advantages enjoyed ETHERTO will be increased so as to meet every reasonable demand of the times.

Particular attention will be given to the department of Music.

It is the purpose of Mr. Wood to render the School unexceptionable in all respects, and to this end the ordinary attractions and influences of Home will be supplied as far as may be practicable.

The next School year will commence on Wednesday, Sept. 19th. The year will be divided as heretofore, into three terms of 13 weeks each. The first ending December 18. The second term will commence Wednesday January 3d, 1861, and close Tuesday, April 2. The third term will commence Wednesday, April 16th and close on Tuesday July 8th.

HUNNEWELL'S
UNIVERSAL
COUGH REMEDY

For all Throat and Lung Complaints, from Common Coughs to Actual Consumption.

HUNNEWELL'S
JUSTLY CELEBRATED
TOLU ANODYNE,

The Natural and Sure Remedy for all
NERVOUS COMPLAINTS

From Neuralgia through all cases where Opium was ever used to that of Delirium Tremens, and the common chief cause of Disease,

LOSS OF SLEEP.

The great Central Active Principle of the Tolu Anodyne is a true development of the Original Natural Opiate. In all cases where ever Opium has been used and its baneful effects witnessed, no mark of cure can adequately compare the difference, and no decision is equal to a trial. The Anodyne contains not a particle of Opium, and the most delicate constitution can use it with safety, and the perfectly natural state it keeps and leaves the Patient should recommend it to Physicians who have long sought the true development and to Patients who want natural results.

The basis of the Universal Cough Remedy is that freedom from all components which by the great error in compounding, produce complete inerts, instead of *cent cures*. We place no restraint on its use every hour in the day, and ask all Patients to make it the natural enemy to all Coughs, Throat or Lung Complaints by a perfect freedom of application. For Inflammatory Sore Throat it is a perfect Remedy, as for Whooping Cough checks all the spasms and allows the Cough to have its run in a quiet way.

With the spirit that we court all investigation, and readiness to answer all inquiries, may we in return ask all to be cautious to purchase only of those they can rely upon. "Prices within the reach of all."

HOSTETTER'S
STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

Blood Purifier and Blood Pills,

BOTANY · CHEMISTRY · EXPERIENCE · PHARMACY.

DR. ROBACK'S
SCANDINAVIAN REMEDIES,

WHEN DR. ROBACK, the celebrated Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties.—This was years ago. The task of recommending them has since been *taken out of his hands.* Enlightened men whose character for sound judgment and philosophy, gives their opinions weight in the community, men who observe, reflect, and make "assurance doubly sure," before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who chose to investigate for themselves are now of *one mind* on this important subject.

The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establishes the following

FACTS:

That the BLOOD PURIFIER and BLOOD PILLS, have been proved by analysis to

CONTAIN NO MINERAL:

That they cure the almost universal complaint,

DYSPEPSIA

with *unerring certainty*, and in a very short time. That after all other medicines have proved useless, they relieve

LIVER COMPLAINT,

and restore the health and strength of the sufferer. That

SICK FEMALES,

who have languished for years in helpless weakness and despondency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gentle stimulating properties. That they recruit

SHATTERED CONSTITUTIONS,

however they may have been trifled with and abused; that their direct tendency is to lengthen life, and render it enjoyable. That, operating directly upon the *person of disease is the blood.*

THEY CAUSE TO HEAL,

and discharge from the system, every taint of Scrofula whether hereditary or otherwise. That they

RECRUIT THE DEBILITATED,

and that there is no disease of the Stomach and Bowels, the Liver, the nervous system, the skin, glands or muscles, in arising from impurities in the Blood or Secretions, which they do not give *prompt relief*, and, (if administered before the very citadel of life has been invaded,) *effect a painless and perfect cure.*

Bear in mind that the SCANDINAVIAN VEGETABLE BLOOD PILLS are endorsed by the experience of thousands of living witnesses, who, in letters, affidavits, medical works, and by word of mouth, proclaim them to be the very best preparation of the kind ever offered to the broken-down victims of ill health. They hunt disease through every avenue and organ of the system, and to expel it thoroughly and permanently.

No one can doubt their superiority after one single trial—they are not only better but, in fact, cheaper than any other Pills, for it takes a less number of them to produce a better effect.

Price of the Scandinavian Vegetable Blood Purifier, $1 per bottle, or $5 per half dozen. Of the Scandinavian Vegetable Blood Pills, 25 cents per box, or 5 boxes for $1.

Read Dr. Roback's Special Notices and Certificates published in a conspicuous part of this Paper from time to time.

Dr. Roback's Medical Almanac and Family Adviser containing a great variety of interesting and valuable Medical information, can be had gratis of any of his Agents throughout the country.

In difficult or complicated Cases, Dr. Roback may be consulted personally or by letter enclosing one stamp for the reply.
