HAIR-WORK MADE TO ORDER.

THE UNDERSIGNED begs leave to inform the Ladies of New Orleans and the public in general, that he is fully prepared to execute any order in his line, such as *Bracelets, Necklaces, Guard, Chains, Vest Chains, Rings, Drops, Crosses, Buttons, Rosettes, Earrings, Hearts, Acorns, Stars, Anchors, Fishes, Books, Birds, Baskets, Harps, Trumpets, Barrels, Pictures;* also, *Flower Bouquets, Monuments, Landscapes, Letters, Portraits, &c., &c., &c.,* in *Lockets, Brooches or Frames.*

The undersigned wishes particularly to bring to public notice that he has made a new invention, by which HAIR *Worked in Flowers, Bouquets, Monuments, &c., &c.,* never changes color, as no gum whatever is used; and he has thus succeeded in finding the means by which to preserve the *Hair forever in its original state.* The Hair of the youngest infant can be worked up by means of this process.

Anxious to secure the patronage of the Ladies and the public in general, he assures them that every effort will be made to satisfy their expectations in regard to neatness, durability and quality; *every article of Jewelry guaranteed.*

CAUTION.

The public are cautioned against a species of imposition in the above business, by substituting work imported from the North and Europe, and passing it off as if executed with the Hair furnished by customers, therefore parties should be very careful with whom they trust their Hair.

☞ Parties, leaving orders are most politely requested to be present, and see their work done, so as to be convinced that they will get their own Hair; this will be a satisfaction, which *no other establishment* in the City can give, *beware of imposition.*

☞ Watches and Jewelry Carefully Repaired and Warranted.

Old Gold and Silver taken in Exchange.

Orders from the country addressed to me will be promptly attended to.

For Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, Obstructions, Female Complaints, and all Diseases of the Sexual Organs,

Arising from Excesses and Imprudencies in Life, and removing all Improper Discharges from the Bladder, Kidneys, or Sexural Organs, whether existing in

JOY TO THE AFFLICTED!!!

It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found

Indisposition to Exertion; Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight; Want of Attention, Great Morbility, Restlessness, with Horror of Society, Nothing is more Desirable to such patients than Solitude, and nothing they more Dread for fear of themselves; no Repose of Manner, no Earnestness, no Speculation, but a Hurried Transition from one question to another.

These symptoms if allowed to go on—which this medicine invariably removes—soon follows LOSS OF POWER; FACULTY, AND EPILEPTIC FITS—in one of which the patients may expire. Who can say that these excesses are not unfrequently followed by those direful diseases,

INSANITY AND CONSUMPTION!

The records of the INSANE ASYLUM and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions.—In the Lunatic Asylums the most melancholy exhibitions appears. The countenance is actually sodden and quite destitute—neither Mirth or grief, ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

INFALLIBLE REMEDY.
