Helmbold's Genuine Preparation

OF

Highly Concentrated Compound Fluid Extract Buchu,

For Diseases of the Bladder, Kidneys, Gravel, Dropsy, Weakness, Obstructions, Female Complaints, and all Diseases of the Sexual Organs,

Arising from Excesses and Imprudencies in life, and removing all Improper Discharges from the Bladder, Kidneys, or Sexural Organs, whether existing in

MALE OR FEMALE,

From whatever cause they may have originated, NO MATTER HOW LONG STANDING,

Giving Health and Vigor to the Frame, and Bloom to the Pallied Cheek.

JOY TO THE AFFLICTED!!!

It cures Nervous and Debilitated Sufferers, and removes all the Symptoms, among which will be found

Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Langour, Universal Lassitude of the Muscular System, Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the eyes, with Temporary Suffusions and Loss of Sight; Want of Attention, Great Morbility, Restlessness, with Horror of Society, Nothing is more Desirable to such patients than Solitude, and nothing they more Dread for fear of themselves; no Repose of Manner, no Earnestness, no Speculation, but a Hurried Transition from one question to another.

These symptoms if allowed to go on—which this medicine invariably removes—soon follows LOSS OF POWER; FACULTY, AND EPILEPTIC FITS—in one of which the patients may expire. Who can say that these excesses are not unfrequently followed by those direful diseases,

INSANITY AND CONSUMPTION!

The records of the INSANE ASYLUM and the melancholy deaths by CONSUMPTION, bear ample witness to the truth of these assertions.—In the Lunatic Asylums the most melancholy exhibitions appears. The countenance is actually sodden and quite destitute—neither Mirth or grief, ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woeful measures wan despair
Low sullen sounds his grief beguiled."

Debility is most terrible and has brought thousands upon thousands to untimely graves, thus blasting the ambition of many noble youths. It can be cured by the use of this

INFALLIBLE REMEDY.
