REMARKABLE RESCUE.

Mrs. Michael Curtain, of Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption, and that no medicine would cure her. Her druggist suggested Dr. King's New Discovery for consumption; she bought a bottle, and to her delight found herself benefitted from first dose. She continued its use, and after taking six bottles, found herself sound and well; now does her own housework, and is as well as she ever was.
