SEND IN THE NEWS.

If you have a bit of news,
Send it in;
Or a joke that will amuse,
Send it in;
A story that is true,
An incident that's new,
We want to hear from you!
Send it in.

Never mind about your style,
Send it in;
If it's only worth the while,
Send it in;
Of some patient labor done,
Of an application won,
Or some good your local's done,
Send it in.

Will your story make us laugh?
Send it in;
Send along a photograph.
Send it in;
If some good words you can teach,
If some lapsing member reach,
Send along a glowing speech,
Send it in.

MIGHT BE WORSE.

Diogenes was looking for an honest man.

"What luck?" asked the wayfarer.

"Oh, pretty fair," replied Diogenes. "I still have my lantern."—Life.

DeQUER AND LaMAR DO EXCELLENT WORK IN FERNWOOD.

Comrade J. M. McCullough, secretary of Local Fernwood, reports a splendid propaganda meeting held by them on August 1, with Comrades DeQuer and LaMar as speaker and entertainer, respectively. To quote:

"Comrade DeQuer made one of his forcible speeches. Some said they would go ten miles to hear him again. Comrade LaMar brought down the house with his Swedish dialect. Best ever, some declared. Collection $1.10."

ANOTHER REBEL.

Fernwood local is growing. Its secretary, J. M. McCullough, has a new, nine-pound boy. If the boy were not twenty-one years too young, we'd say Mac was rushing votes.

COMRADE MAYNARD SHIPLEY PROVES THAT SOCIALISM IS INEVITABLE.

(Crowded out last week.)

One of the most forceful and instructive lectures of the city campaign was given by Comrade Shipley last Sunday (August 9) at party headquarters. About eighty of his splendid slides were shown, making the Socialist position so clear that the most prejudicial bonehead in the world could not fail to be convinced. The talk began with the showing of the primitive hand tools leading up to the evolution of the machine to its present perfection, and the consequent necessity for wars to make new markets for the productions wrought by this machinery. Comrade Shipley dwelt for fifteen or twenty minutes upon the war situation in Europe, and the death of Comrade Jaures. We never become tired of these beautiful, instructive pictures, and hope to be given another of the kind in the near future.

PULT-OST AND DRY MUTTON. TRY THESE. AT EIDEM'S GROCERY. 2709 LOMBARD.

A FEW SIMPLE RULES SELDOM REMEMBERED.

(By Frans Bostrom.)

A Socialist local is not obliged to take in as a member a person who is objectionable to its majority.

It may exclude members who are not desirable.

It should rid itself of knockers and cranks.

Heresy hunting is no part of our program. We are all more or less faulty and inconsistent in our notions of Socialism, but deliberate violation of our rules and our platform should never be tolerated.

Majority rule is absolute in the party and all quarrels can therefore be settled at once by a vote of the local.

Disobedience to majority rule should be followed by immediate exclusion of the guilty.

Let it become a privilege to become a member and it will be easier to keep up the membership.

Do not believe anything derogatory about the party or its members that you see in a capitalist paper. In 999 cases out of 1,000 it is untrue. You can afford to miss the truth that one time.

If a comrade whispers in your ear something about another comrade that savors of slander, make him repeat it openly on the floor of the local. Backbiting is always the cause of personal feuds; personal feuds are the cause of death to the small locals and destroy the usefulness of the larger ones.

WHAT'S IN A NAME.

"What is the name of your automobile?"

"I don't know."

"You don't know? What do your folks call it?"

"Oh, as to that, father always says 'The Mortgage'; brother Tom calls it 'The Fake'; mother, 'My Limousine'; sister, 'Our Car'; grandma, 'That Peril'; the chauffeur, 'Some Freak,' and our neighbors, 'The Limit.'"—Life.

ANGUISH.

"Do you ever weep over a story?"

"Sometimes when I get it back from the publishers."—Houston Post.

All the material for a common manhood was ours; but the material only was appropriated and the manhood lost.—Peter E. Burrowes.

Here's One Magazine You Want

Charles Edward Russell

"The reason why I advise all persons that believe in a free press to support Pearson's Magazine is because Pearson's is the only great magazine that is free."

Pearson's Magazine is the only magazine of its kind. Its form enables it to depend on its readers alone—on advertisers not at all. It can and does, therefore, print facts which no magazine that depends upon advertising for a living can "afford" to print. It does print such facts every month. Every issue contains the truth about some condition which affects your daily welfare, which you want to know and which you can find nowhere else. Besides, it prints as much fiction and other entertainment as any general magazine. If you want one radical magazine to live and grow, subscribe to Pearson's.

Pearson's is the only big magazine in America in which the *Socialists* get an equal *opportunity* with others to present their case, not occasionally but in every issue.

The case for Socialism is presented by the leading Socialist writers of America, including *Allan L. Benson* and *Chas. Edward Russell.* One copy will convince you that you want Pearson's. On the newsstands, 15c per copy. By the year, $1.50.
