AYER'S Pills

are a Sure Cure for Constipation.

Dr. J. C. Ayer's Pills are a specific for all diseases of the liver, stomach, and bowels. These testimonials are from the thousands received:—

The Pill That Will

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. After vainly trying various remedies, I began to take Ayer's Pills. Two boxes effected a complete cure."
D. BURKE, Saco, Maine.

"For eight years I was afflicted with constipation, which at last became so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels recovered their natural and regular action."
WM. H. DELAUCETT, Dorset, Ont.

"Ayer's Pills are the best in the world. I used to be annoyed with constipation until I began using them; now I have no trouble of that kind any more, and I attribute my recovery to the use of your valuable Cathartic Pills."
H. PLOWMAN, Portland, Oreg.

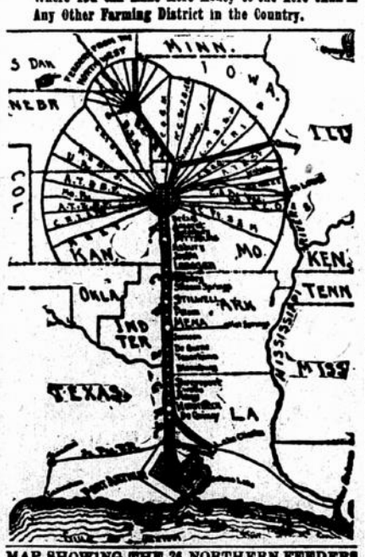
HERE'S A NEW COUNTRY.

New Hopes, New Opportunities—Land of Sunshine and Plenty—Mild Climate, Fertile Soil and Cheap Lands. Where You can Make More Money to the Acre than in Any Other Farming District in the Country.



MAP SHOWING THE 26 NORTHERN FEEDERS OF K. C., P. & G. R. R.

The building of the Kansas City, Pittsburg & Gulf Railroad, an air line from Kansas City to Port Arthur, has opened up a country in Western Missouri and Arkansas, and Louisiana, that cannot be excelled as an agricultural and fruit growing country; good health, sparkling springs and clear streams; where you can work out of doors 12 months instead of 6.

The finest stock range—no blizzards, no hot winds; no droutha. The earliest markets for farm products, bringing the highest prices. Living is cheap and best in the land.

Why try to Oppose Nature? Go to a land where nature backs your every effort and prosperity is not dependent upon a single rainfall. Go where prosperity is permanent.

PORT ARTHUR

the Southern and Seaport terminus, is the best place in the United States to-day to invest or to go into business. This railroad now running through trains between Kansas City and Port Arthur, will be running over its own tracks the entire distance by September 1.

Study the Map and you will agree a large city must be built at Port Arthur, nearest seaport to Kansas City by 100 miles.
