Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

War Upon Pain

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful. Merlin H. Foster, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise next morning the stiffness had almost disappeared four hours after the second application I was as good as new." March, 1915. Whole Family Benefited By Wonderful Remedy

There are many little things to annoy us, under present conditions of life. The hurry, hard work, noise and strain all tell on us and tend to provoke nervousness and irritability. We are frequently so worn out we can neither eat, sleep nor work with any comfort. We are out of line with ourselves and others as well.

A good thing to do under such circumstances is to take something like

Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves. Mrs. J. B. Hartsfield, 8a Plum St., Atlanta, Ga., writes:

"I have on several occasions been vastly relieved by the use of your medicine, especially the Anti-Pain Pills, which I keep constantly on hand for the use of myself, husband and two sons. Nothing in the world equals them as a headache remedy. Often I am enabled by the use of one or two of the Pills to continue my housework when otherwise I would be in bed. My husband joins me in my praise of the Anti-Pain Pills and Nervine."

Dr. Miles' Anti-Pain Pills

are relied upon to relieve pain, nervousness and irritability in thousands of households. If proven merit after twenty years' use, you can have no reason for being longer without them.
