That Bad Storm.

The storm which recently destroyed several barns in the southern part of the county, has prompted me to call attention to the fact that some of the reliable Fire Insurance Companies. fo r which I am agent and which are insuring our city property against fire, are also insuring farmer's buildings against Wind-Storms, Tornadoes and Cyclones at a very low rate. Why take any chances and be without a tornado policy when you can get absolutely reliable insurance at such low cost?

GOOD WORK.

Done Daily in Willmar. Many Citizens Tell of It.

Nearly every reader has heard of Doan's Kidney Pills. Their good work in Willmar still continues, and our citizens are constantly adding endorsement by public testimony. No better proof of merit can be had than the experience of friends and neighbors. Read this case:

John Warmark, 213 4th St. Willmar, Minn., says: The public statement I gave in 1907, regarding Doan's Kidney Pills still holds good. This remedy was used in my family and effected a cure in a case of kidney trouble. The person who took Doan's Kidney Pills no longer complains of back ache or head aches and is in much better health. I know that Doan's Kidney Pills live up to claims made for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Never before has wall paper been sold as cheap in Willmar as I sell it this spring. I have quit the contracting so I can devote my entire time to selecting wall paper, right in price and up to date. All I ask is that you come in and look my stock over before you buy. I also carry the largest stock of mouldings, plate and card rails, paints, oils, varnishes, brushes, window glass and picture frames in the city. Try Floor Sheen and Artisto, the dull varnish for floors and woodwork. Looks better then hand rubbed. Store 'phone 307. Res. phone 220. O. A. Jacobson. 10f

TO CURE SORE BUNIONS
Treatment Marvelously Quick for This and All Foot Troubles.

"Dissolve two tablespoonfuls of Calocide compound in a basin of hot water; soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) Repeat this each night until cure is permanent." All pain and inflammation is drawn out instantly and the bunion soon is reduced to normal size. Corns and callouses can be peeled right off and will stay off. Sore, tender feet and smelly, sweaty feet need but a few treaatments. A twenty-five cent package of Calocide is usually sufficient to put the worst feet in fine condition. Calocide is no longer confined to only the doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. This will prove a welcome item to persons who have been vainly trying to cure their foot troubles with ineffective tablets and foot powders.

Unexpected Guests

The farmer and his wife were about to sit down to a cold supper when they saw some old friends driving towards the house.

The good wife was equal to the occasion—thanks to her New Perfection Oil Cook-stove.

She had it lit in a moment, and her guests hardly were seated on the porch before a hearty hot meal was ready for the table—sausages and eggs and long rashers of streaky bacon, and rolls just crisped in the oven and fresh coffee—and the hostess herself as cool and neat as if she had not been near the kitchen.

She never could have managed it with an old-fashioned range. The New Perfection is the quickest, most convenient and best cooker on the market.
