
What's done as much as anything else to fill up the movie houses

LOOK at the crowds that step out of their cars in front of the movies every summer evening.

The movie managers would be renting half of their theatres for store space, if it weren't for the automobile.

II

It is typical of Americans that they took to the automobile as a matter of course—just as they have to the movies and to every other great invention of the last half century.

And the same thing has happened everytime. *Taking things as they come* is a fine way to foster waste and extravagance.

As regards tires, the comeback is about due. People are pretty near through paying for something that *isn't there* when they look for it.

III

What a man pays for in a tire is *quality*—not a limited number of miles or the privilege of getting a rebate in case the miles don't come up to the limit.

U. S. Tires are guaranteed as to quality—*with no limitation of mileage.*

And that holds just as good for the *small car tire* as for the biggest U. S. Tire we've got. There's *only one* standard of quality with U. S.—and the size of the car has *nothing whatever to do with it.*

IV

We represent U. S. Tires in this town. You'll find it worth while to talk to us before you buy any more tires.

Select your tires according to the roads they have to travel:

In sandy or nilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—*everywhere*—U. S. Royal Cords.

John Quam Missed the Game

Troubles never come single but in pairs and even triples and then some when they do come for such was the experience of Martin Hafermann, S. Byram, Ted Burges and John Quam last Thursday when they attempted to get to Boyd to see the ball game between Madison and Crosby. They started in fine fettle in Mr. Hafermann's car to the envy of many a fan who would have liked to have gone too. Well, they got as far as Maynard when they found that the bearings in their car were broken and of course could get no further. Nothing daunted and determined to see the ball game they telephoned to Harold Cook at Clara City to bring them to Boyd. All went merry until they got close to Clarkfield when two tires blew up and they brought their crippled car to Clarkfield for repairs. Determined more than ever to see part of the game; they had not gone very far out of Clarkfield when the third tire blew up and by the time that was repaired people were returning from the game and the best they could do was to turn around and go home. They were kept in good humor by Mr. Quam's running fire of satire on the beautiful scenery, the crops and the uncertainties of life, so a miserable afternoon was enjoyed (?) after all.—Clara City Herald.

Exclusive Agencies Cost You Money

Probably you are a man who believes in getting full value for every dollar. If so, you want to know some of the facts about exclusive agencies.

Exclusive dealers have no competition on the brands of roofing they sell, and some of them charge any price the purchaser will stand. Then, too, they generally charge more for the roofing they sell, because they usually have to ship their roofing from a long distance and therefore buy under greater handicaps.

Now you know that unnecessary stocks boost the cost of doing business. Figure it out for yourself—interest on the money invested—storage cost—insurance against loss by fire, theft and other causes.

It all costs money. And naturally you, the buyer, pay this added cost.

Certain-teed cannot see this way of doing business. Any responsible dealer can sell Certain-teed.

Certain-teed Way Saves Money

He carries only the stock he needs and keeps it filled by frequent orders from a nearby Certain-teed warehouse or jobber. He pays the same price per roll whether he buys one roll or a thousand.

This saves him money. And naturally you benefit as well as he.

In Certain-teed you get the highest quality roofing. It has never been known to wear out on the roof. It is guaranteed for 5, 10 or 15 years, according to weight. It is weather-proof, fire-retarding and spark-proof.

Any reliable dealer can get Certain-teed for you quickly from a nearby Certain-teed warehouse or jobber. He gets it when he wants it and he gets what he wants. He can afford to sell you at a fair price.

Beware of the dealer who tells you he has Certain-teed, but tries to sell you a private brand. He probably wants a bigger profit.

Drowns in Big Stone Lake

Albert Galle, oldest son of Mr. and Mrs. Adolph Galle of this city, lost his life by drowning in Big Stone Lake Thursday evening of last week. The doctors who examined the body after it was brought from the water about thirty minutes after it went down for the last time, said his death was caused by heart failure, but it was not known by his parents that there was anything the matter with his heart. The sad accident happened between seven and eight o'clock.—Western Guard.

Annually use these tablets of organic iron—Nuxated Iron—to build up red blood, strength and endurance.

Dr. H. B. Vail, formerly Physician in the Baltimore Hospital and a Medical Examiner says: "There are thousands whose bodies are agring and breaking down at a time when they should be enjoying that perfect health which carries defiance to disease simply because they are not awake to the condition of their blood. By allowing it to remain thin, pale and watery, they are not giving the natural life forces of the body a chance to do their work. Iron is red blood food and in my experience I have found no better means for building the red blood corpuscles and helping to give increased power to the blood than organic iron—Nuxated Iron." Nuxated Iron comes in tablet form only and does not contain any ordinary metallic iron but only the finest quality of predigested organic iron which is easily assimilated by the blood.

THAT MORNING LAMENESS

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Willmar testimony.

Fred A. Larson, carpenter, 220 Augusta Ave., E., Willmar, says: "I had mighty bad spells with my kidneys about two years ago. I had pains when passing the kidney secretions, which were unnatural in appearance. My back pained considerably and on arising in the morning, I could hardly dress myself. I was so lame. I saw Doan's Kidney Pills advertised and went to Carlson Bros.' Drug Store for some. Two boxes, used as directed, cured me up sound and well. I always have a box handy in case of need, as I have great confidence in Doan's.
