POOR STARTS AT GRAVESEND

EXASPERATING DELAYS SPOIL THE SPORT.

RESULTS OF YESTERDAY'S CONTESTS AT THE BROOKLYN JOCKEY CLUB'S TRACK.

The starting in the several races at Gravesend yesterday was so wretchedly bad that it served to spoil what would otherwise have been a fair day's sport. The weather was delightful, and the programme, considering that it was made up entirely of over-night contests, was of excellent promise; in fact, there was every reason to expect an enjoyable day's racing, but between long delays, and sending the fields away in strung-out order, Starter Rowe killed all possible hope of enjoyment. The management tried to make amends for the delays by hurrying matters along, so that the last race was run at a seasonable hour, but for the poor starts there was no solace to offer, thousands of dollars being lost the moment the flag fell. The result of this was, of course, a lot of grumbling, for bettors, at least, want an even chance for their money.

The conditions of the opening race let Raceland in against an ordinary lot at 112 pounds. He was, of course, the favorite, his price, when his owner's commission was on, being 1 to 3, and of that there was not an overplenty, as the bookmakers realized that it was pretty close to a "sure thing," and were not overanxious to bet against him. The one who was expected to beat him, if he was to be beaten, was Loantaka, and for the place he was as hot a favorite as Raceland was to win. The contender, however, turned up in By Jove, a 60 to 1 chance, who took the lead at the start and held it until well in the last furlong, where Raceland joined him, and at the finish won by the best part of a length. By Jove beat Integrity three lengths for the place. Time, 1:50½.

The second race was for two-year-olds, nine of which sported silk. Lucky Dog was the favorite, and in a truly run race he might have won, but he was badly crowded just before the turn into the stretch, and at the finish was third. Dorian winning by a scant length, Ornus second, a length in front of Lucky Dog.

Correction won the third race. The betting against her had a healthy look, 9 to 10, the first price posted, being quickly cut to 5. She took the lead at the start and held it to the finish, where she won handily by a short length. Derfargilla second, a neck in front of Fairy, who looks better than at any time this season.

A selling race at a mile and a sixteenth was next decided, and it resulted in a battle of the lightweights, Acclaim and Deception. The former made the running for a mile and then gave way to Deception, who was first at the finish by a neck, Acclaim second, two lengths before Diablo. Aloha, who was the favorite, finished fifth. There was no bid for the winner.

The fifth race looked like the surest kind of a good thing for Wernberg, but if there was the faintest chance of doubt about it, the start dispelled that chance, for when Mr. Rowe saw fit to lower his flag, Wernberg was the leader by two lengths in a field that was strung out for half a furlong. Taral, who was riding Wernberg, just let him rate along to the end, where he won by four lengths. Innocent second, a neck before Half Mine.

The start for the sixth race was fully as poor as the previous one; in fact, it was worse, for Golden Valley was left standing still, while the others were tailed out in a way that made it hard to realize that it was a go. Taral again had the best of it, Hartford, the colt whom he was riding, being the first away, and it was only in the last jump that he was forced to succumb, Tenacious, who was the favorite, getting his head by him just as they reached the wire. Longbrook was third, more than a length away. Time—0:56¾.

The last race brought another head finish, Chattanooga beating the favorite that distance, with Simmons third, right at their heels.

ARION'S EASY VICTORY.

MR. FORBES'S EXPENSIVE HORSE IN A RACE.

HE CAPTURES "THE SPIRIT OF THE TIMES" PURSE, WORTH $11,000—HARNESS RACING AT CHICAGO.

[BY TELEGRAPH TO THE TRIBUNE.]

Chicago, Ill., Sept. 12.—Some 7,000 people braved the elements and saw the trotters at Washington Park this afternoon. They were chiefly attracted by the appearance of the celebrated Arion, who started for the first time in a race since he was purchased from the late Senator Stanford by J. Malcolm Forbes, for $125,000. At two and three years the colt has held the record for his age, and he maintained his prestige here to-day by winning the race for "The Spirit of the Times" purse in hollow fashion. This race came last on the card, but was advanced to third place, as the rain made it doubtful whether the sulkies could go on through the afternoon. Arion was not a pronounced favorite, though he brought the best price in the early pools, and the odds were about to 10 to 13 on the champion before the first heat. He was not driven for this heat, and Trevilian beat the others in 2:16¼. The field stock went up a little before the second heat, and it was 2 to 1 against the Boston crack's success. He stepped away promptly this time, Trevilian being the only one at all near him, and without going to his limit, Arion trotted the mile in 2:12¾. It was evident that he had the race at his mercy, and Trevilian chased him out twice more in the heavy footing, the great colt moving away from the Kentuckian very easily in the fourth mile, which he trotted in 2:18¾.

Belleflower, another of Electioneer's get, and a very fast young mare, was unable to give a good account of herself by reason of unsteadiness, and she lost all chance by tangled breaks in the first quarter of every mile.

The two-year-olds mustered only three strong, and Baron Dillon ended that struggle in straight heats, defeating the favorite, Mill Lady, very cleverly. It required five heats to decide the issue between the 2:25 trotters, though the contest was merely a duel in which Jennie K. outlasted Brazil, after losing to the gelding. Both reduced their records, and in the third heat, the fastest of the five, the pair came lapped to the wire. There was not daylight enough to finish the 2:17 trot, though Clara D. captured the first two heats so easily that her victory seems assured.

If the track can be put in order by to-morrow afternoon Nancy Hanks is likely to give the record a close call, but the weather seems unfavorable for the trial. Summaries:

FINE HORSES ARRIVE ON THE NOMADIC.

A LARGE CONSIGNMENT FOR J. R. & F. P. KEENE—STALLIONS AND BROOD-MARES TO BE SOLD.

A valuable addition to the breeding establishments of this country arrived on the White Star freight steamer Nomadic late Monday afternoon. They were landed yesterday. Of the consignment twelve royally bred mares in foal to the best English sires, nine yearlings and nine weanlings were for J. R. & F. P. Keene. The Keene consignment will be quartered on Long Island. Among the mares are the following winners or dams of winners: Queen of Sheba, Ixion, Fair Vision, Atala, Bonnie Gal and Eccentricity. It is likely that the Keenes will sell a large number of their horses in training, and that they will purchase a farm fully equipped for breeding purposes some time this month.

Colonel Bruce had a consignment on board of well-bred stallions and broodmares, which are to be sold some time this fall. William Easton, of Tattersall's, is in England and is likely to ship another large consignment to be sold in November.

THE WINNERS AT LATONIA.

Cincinnati, Sept. 12.—The track at Latonia to-day was soft and holding from the showers of Monday night and this afternoon. The time in the six races was correspondingly slow, but the finishes were close and exciting. The summaries:

GIANTS TAKE REVENGE.

EUCLID-AVE. BATHED IN TEARS.

THE BIG-WAISTED HOOSIER PITCHES AND THE NEW-YORKERS WIN—AN UGLY SPIRIT STILL RAMPANT IN CLEVELAND.

GAMES YESTERDAY.

New-York 5, Cleveland 4.	Pittsburg 13, Baltimore 2.
Brooklyn 3, St. Louis 1.	

Cleveland, Sept. 12 (Special).—The Giants won one of the prettiest green-diamond battles here to-day seen in this memorable baseball year. While Euclid-ave. is fairly bathed in tears over the result, most of the natives are fair enough to admit that the New-Yorkers more than deserved their victory. A goodly portion of the natives went to Akron to-day to take part in the McKinley demonstration, but enough remained at home to keep the attendance far above the average at League Park. Rusie's hand was in awful condition to-day, but medical skill was called in, and the big-waisted Hoosier went in to pitch, as the New-Yorkers were anxious to wipe out the defeat of Monday, and get revenge for the treatment they had received from the Cleveland players and the umpire. To escape insults and annoyance as far as possible, the Giants dress at their hotel and are conveyed to the grounds in 'busses. Rusie is suffering severely with his hand, and in the second inning he was on the point of giving up in despair. Ward prevailed upon him to keep at it, and after that inning the Clevelands were as pigmies in his hands.

Clarkson's curves were batted freely, and only for a southeast gale which blew over Lake Erie the New-Yorkers would have made more runs than they did. Ward played a grand game, and so did Burke. The batting order was changed around with excellent results, as a perusal of the score will show. The Giants scored the winning run in the ninth on hits by Rusie and Tiernan, a force by Fuller and a sacrifice by Ward. While Emslie was fair to-day, the crowd was angry at the defeat, and, headed by McKean and O'Connor, surrounded Emslie after the game, gesticulating wildly. Emslie pluckily stood his ground, showing no fear, and the ugly murmurings died away and no damage was done. Players guilty of such conduct should be expelled from the League.

BROOKLYN MANAGED TO WIN.

ST. LOUIS DEFEATED, ALTHOUGH HER OPPONENTS MADE ONLY ONE HIT.

St. Louis, Sept. 12.—Brooklyn made one hit off Hawley to-day, but managed to win the game nevertheless. Kennedy's fine work in the box, combined with the excellent support accorded him by the Brooklyns, limited the Browns to a single tally. The visitors made three runs on two bases on balls, one hit and Shugart's error. Hawley's wild pitch, McCauley's passed ball and a long sacrifice fly to right field. Attendance, 500. The score:

GAMES IN OTHER CITIES.

Baltimore, September 12.—Mullane was a trifle less efficient than Umpire Gaffney to-day. The "Orioles" scored eleven runs, of which nine were earned before Mullane was relieved by Brown. Meantime an absurd decision by Gaffney prevented the Orioles from tallying. Two triples and a single in the eighth gave Baltimore its only runs. Killen pitched a fine game, which was witnessed by 2,767 persons. Score:

Baltimore	0	0	0	0	0	0	0	2	0	—2
Pittsburg	2	0	1	5	3	0	1	1	x	—13

Baseballs—Baltimore 6, Pittsburg 10. Errors—Baltimore 1, Pittsburg 2. Batteries—Mullane, Brown and Robinson; Killen and Earle. Umpire—Gaffney.

Chicago, Sept. 12.—Boston was saved from a possible defeat to-day by a heavy rainstorm which sprang up in the Chicago's half of the fifth inning. Up to that time the Bostons had not scored, but the colts had four runs to their credit. Stivetts was wild and unsteady. Two bases on balls to the first men up, Dahlen's infield sacrifice, Dungan's triple and a wild pitch gave the colts three runs in the first. In the fifth inning McCarthy's muff and Decker's hit scored a run. Then the rain came. It was the first postponed game on the home grounds since May 12. Two games will be played to-morrow.

Louisville, Sept. 12.—The Louisville-Washington game was postponed on account of rain.

Cincinnati, Sept. 12.—The Cincinnati-Philadelphia game was postponed on account of wet grounds.

Buffalo, N. Y., Sept. 12.—The Buffalos easily defeated the Wilkesbarre team here to-day. The score:

Buffalo	0	2	2	2	0	0	0	0	x	—6
Wilkesbarre	0	0	0	1	0	2	0	0	0	—3

Baseballs—Buffalo 6, Wilkesbarre 7. Errors—Buffalo 5. Batteries—Hoffer and Boyd, McLoughlin and Dixon. Umpire—Swartwood.

Providence, Sept. 12.—Whatever chances Troy had of winning the Eastern League pennant were spoiled today by the Grays. The score:

Providence	1	1	7	0	0	0	0	0	0	—9
Troy	0	1	0	0	3	2	0	0	0	—6

Baseballs—Providence 13, Troy 11. Errors—Providence 2, Troy 7. Batteries—Rudderham and McKeough; Meekin and Murphy. Umpire—Hunt.

A NEW WESTERN BALL LEAGUE.

Indianapolis, Sept. 12.—It was announced to-day that a new Western ball league was to be organized, with Indianapolis as one of the clubs. The list of cities will probably include St. Paul, Minneapolis, Omaha, Kansas City, Detroit, Milwaukee, Toledo and Indianapolis. Many of these cities have already agreed to join the organization. John T. Brush, president of the Cincinnati club, and a prominent figure in the League affairs, is in with the new deal.

HAMPDEN PARK BICYCLE RACES.

RECORDS LOWERED BY MEINTIES—CONTESTS FOR POSITIONS IN THE FINALS.

Springfield, Mass., Sept. 12.—A. A. Zimmerman, W. A. Rhodes and L. S. Meinties made trials for speed on Hampden Park yesterday, and the latter lowered the three, four and five mile figures. Zimmerman made a mile with a flying start in 2:01 3-5, a second faster than the record, but will not ask to have it stand, because he was paced by a professional. Meinties then made three miles in 6:45 1-5, four miles in 8:57 3-5 and five miles in 11:09 3-5. The records for the distances were 7:04 3-5, 9:26 2-5 and 11:41, made by Windle on Hampden Park, September 29, 1892. Rhodes failed to lower the two-mile record.

There was a small attendance at the trial races today. The contests were for positions in the finals tomorrow and Thursday. The contests were as follows:

Half mile, 1:15 class—First heat—Watson Coleman first, F. M. Haggarty second, E. L. Blanvelt third, P. J. McDuffie fourth. Time—1:24 1-5. Second heat—Campbell Stevensen first, A. W. Olmstead second, F. A. Foell and E. W. Bever tied for third place. Time—1:20 3-5. Third heat—O. S. Brandt first, G. N. Wells second, E. G. Merrill third. Time—1:22 2-5.

Half mile, open—First heat—Tyler first, Zimmerman second, Githens third. Time—1:20. Second heat—Zanzer first, Windle second, George C. Smith third. Time—1:23 3-5. Third heat—Taylor first, Bliss second, Bird third, Johnson fourth. Time—1:15 3-5.

Two-mile, 3:20 class—First heat—G. W. Collin first, W. Lemessurier second, A. W.
