If you neglect kidney backache,
Urinary troubles often follow.
Act in time by curing the kidneys.

Doan's Kidney Pills are especially for weakened kidneys.

Many people in this locality recommend them.

Here's one case:

Mrs. Mary Ann Carter, 516 N. Front St., Crookston, Minn., says: "For quite a long time I suffered from backache and kidney trouble. I felt so poorly more than once that I had to lie down and rest. My back ached and was lame and sore. I felt tired and drowsy and my kidneys showed every sign of weakness. It may have been a cold on my kidneys that brought on these complaints. I got no relief until I began using Doan's Kidney Pills. They proved to be just what I needed and restored me to good health. I have no trouble from my back or kidneys now and Doan's Kidney Pills have saved me the expense of a doctor."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
