KAVANAGH'S AUCTIONS.

VERY CHOICE RESIDENCE PROPERTY on Summit avenue at auction—I will sell at auction, on the premises, corner of Summit avenue and Dale street, on Monday, June 30, at 10 o'clock, a. m., one hundred and seventy-one feet frontage on Summit avenue, to-wit: Lots 12, 13 and 14 of Weed & Willins' re-arrangement of block 20 of Woodland Park addition. These lots are 148 feet in depth to a 20-foot alley, and are situated in the very center of the wealthy residence portion of the city. In the immediate vicinity of the elegant homes of Hon. Herman Grove, George R. Finch, Esq., W. A. Culbertson, Esq., Hon. W. D. Cornish, Hon. E. Simonton, Hon. C. W. Griggs, A. G. Foster, Esq., and others. The ground lies beautifully, being admirably adapted for residence purposes, while the surroundings are all that the most exacting mind could desire. Summit avenue, with the new boulevard extension to the river (a distance of about six miles,) will make one of the finest residence avenues in the country, rivalling in natural beauty the far-famed Euclid avenue of Cleveland, Ohio, and surpassing Fifth or Madison avenue of New York. Those who are desirous of profiting by the marked improvements to be made in the immediate future will bear this in mind and be on the grounds on the day of sale and compete for the possession of property, the value of which can not be computed in dollars and cents.

Terms one-third cash, balance in one and two years at 8 per cent. interest.

P. T. KAVANAUGH, Auctioneer.

174-182

VERY IMPORTANT SALE OF SUBURBAN VILLA PROPERTY AT AUCTION—The beautiful Palisade addition, consisting of 323 different pieces in lots, blocks and acres, to be sold under the hammer. I will sell at auction on the premises on Tuesday, July 1st, 1884, commencing at 10 a. m., and continue until all is sold, the Palisade addition to St. Paul. This really beautiful addition commands the east bluff of the Mississippi river for a distance of nearly three-quarters of a mile, along the brow of which the Summit avenue of upper St. Paul, Stewart avenue, forms a magnificent drive. Fronting this avenue for over 3,000 feet lies some of the finest residence sites in the northwest. Running back from the river to west Seventh street (the great business thoroughfare of St. Paul) lies Palisade addition, traversed by Stewart, Rockwood and Benson avenues, West Seventh, Rankin, Springfield, Madison and Alton streets. The land is admirably adapted for business purposes, the drainage being natural and perfect. The situation of these lots is at once commanded and destined to become in the near future the very center of the fine residence portion of St. Paul. To those desiring property for immediate improvement, or for speculative purposes, that will yield a handsome profit in a short time, this property stands without an equal. Away from the bustle and turmoil of traffic that form the great objection to life in a city like St. Paul, yet within twenty minutes' drive of the very center of business, its quiet and its natural advantages make it especially desirable as homes for our business men, mechanics, for everybody who can enjoy home comforts.

P. T. KAVANAGH, Auctioneer.
