PROFITABLE INVESTMENT—1 per cent each month and clear of taxes—An enterprising and responsible country merchant, who is doing a lucrative business in a beautiful located county seat village in the Minnesota valley, wishes to increase his business capital, and offers for sale, with the privilege to lease the premises at an annual rent of equal to 12 per cent per annum; rent payable every month in advance; and besides pays the real estate taxes thereon—the following described best located town property, consisting of a corner lot 100x150 feet, facing east, with a fine and well built two-story frame business building, 22x50 feet, containing up stairs five pleasant dwelling rooms, handsomely painted and finished, three large clothes closets with shelving and a spacious hall-way; the ground floor with a wing in the rear 19x30 feet, one-story high, consisting of a neat general store with post-office; four nice dwelling rooms, closet, pantry and summer kitchen, with large cistern and pump; and adjoining the store is a warehouse 14x25, with a flat, iron roof, one story high, which needs only a railing to convert into a nice veranda; there is also a good partitioned cellar, and the purest and best spring-well water of the village on the premises. The present owner, a business gentleman of refinement and culture, has recently enlarged, rebuilt and remodeled the property at a cash outlay of $1,600, and the house is in perfect order and nicely painted; the store the handsomest in the county, with all the shelving, counters, bins, etc., grained in oak color, and all the rooms up stairs, and on the ground floor are beautifully grained in light oak, nicely paper-hanged; all the windows have large one-light sashes with storm-windows and storm and screen-doors for the whole house; the property is almost wholly surrounded by large shade trees, which makes the house very cool in summer, and adjoining the building is a large 65x150-foot, beautifully platted-out garden, with lawn in front, large shade-trees alongside the house and in the rear; also, plenty of currant bushes, nice gravel walks and a spacious back-yard, and the whole property is surrounded by a substantial board fence and an ornamental picket fence in front; I intend to sell this property, which should be seen to be appreciated, at the low price of $2,800 cash, including the entire store-fixtures and outfit (worth $400, and as good as new); the title of the property is perfect, and no incumbrances thereon; the present owner occupies only the lower dwelling, and the upper story would be a comfortable dwelling for a purchaser, who wants to enjoy a quiet, country life, pure air, or a summer vacation with plenty of fishing and hunting sport in close vicinity. AUCTION SALES.

A. M. Doherty, Auctioneer.

IMPORTANT SALE OF ELEGANT Residence Property on Maria av. by Auction—I will sell at auction on the premises, on the corner of Maria av. and East Eighth st., on Wednesday, June 20, at 3:30 p. m., the elegant residence and grounds of J. J. Lemon, Esq., who intends to remove from the state as soon as he can dispose of some of his interest in St. Paul realty; this property is without doubt the finest in location of any property on Dayton's Bluff; the view is fine, and commands a vast part of the city, and will rank very favorably with the many sightly residences for which the bluff is noted; the first piece to be sold is a fine lot 40x120, with frontage on Maria av., together with the improvements, which consist of a fine house of eight rooms (nearly new), good bath, cistern and lake water, hot and cold water pipes up and down stairs, fine fruit and shade trees, etc., etc.; the second piece will be the homestead of Mr. Lemon; this property consists of two lots, having together a frontage on Maria av. of 92 feet by 120 feet on Eighth st.; the house was built with a view to comfort, and is provided with all the modern conveniences, it contains nine large, fine rooms, good bath room, hot and cold water, good barn and carriage house, etc. The grounds are nicely laid out and well shaded with fine trees, shrubbery, small fruit trees, apples, plums, etc., etc. On account of Mr. Lemon's projected removal from the city, he has decided to sell the property to the highest bidder. While on account of the present year being a political one, it is not to be expected that the full value of this property will be realized, it will be well enough to remind the people that property in the immediate vicinity, unimproved, is held at from $150 to $200 per foot. This part of the city is eagerly sought after for fine residence sites, as can easily be attested by the class of buildings in the near neighborhood, among which may be mentioned the homes of Messrs. Willius, L. E. Ready, Ald. Hamm, S. Mayall, Lawrence and others. Terms made known on the grounds on day of sale. A. M. Doherty, auctioneer, 51 East Fourth st. 169-70

DESIRABLE RESIDENCE and fine lot at auction—I will sell at auction on the premises, on Tuesday, June 19, at 5 o'clock in the afternoon, lot 8, block 29, West St. Paul Proper; this property is situated on Winslow st., near Isabel, and has a frontage of 50 feet by a depth of 150; the improvements consist of a good story-and-a-half cottage; good well, cistern and cellar; the location is all that could be desired, being near the edge of the bluff, on the West side, and commanding a very fine view of the whole city; for a pleasant and convenient home there is nothing in the city that can surpass it.
