Minneapolis, Sept. 19.—There was an easy turn to the wheat market to-day, caused by a lack of buying support and a feeling among traders that the price was to sell off a little in line with a natural reaction from a steady and advancing market. Cash wheat declined about ⅛c in line with futures. Sales of No 1 Northern were mostly at 66@66½c. Considerable barley is being offered, and there is a very good local demand, sufficient to keep prices steady and on the strong side. Oats are steady. There is not much corn or rye coming in. Receipts of wheat here were 181 cars.

THE TRADE IN CHICAGO.

Chicago, Sept. 19 (Special).—Wheat lost ½ cent today, being affected most by cables. Pardridge was still a buyer. The other local professionals, as a rule, were active as sellers. Exports from the seaboard were large enough, about 700,000, to prove rather a support. Interior receipts were lighter than they have been, and much lighter than last year. Chicago had 333 cars of wheat, against 791 cars last year. Minneapolis and Duluth had 569 cars, against 726 cars last year. The local contract stock, 16,646,000 bushels, showed an increase for the week of 19,000 bushels. December sold between 72½ and 71½, and closed at 72 cents, sellers. Corn, after a narrow market, with the tone inclined to be easy, closed at about Monday's prices. May sold between 45 and 44⅝, and closed at 44¾ cents. Receipts were large, although not so large as expected—1,386 cars. The contract stock, 1,521,000, showed a decrease for the week of 105,000. Charters were reported for 350,000 bushels. Frosts are predicted for Illinois, Iowa and Wisconsin tonight. Oats were strong; May sold between 31½ and 31¼, and closed at 31½ cents; receipts were 574 cars; the estimate for Wednesday is 217. Provisions were strong and higher for all deliveries. There were only 14,000 hogs; the estimate for Wednesday was only 20,000. The quality of the receipts was poor, indicating a letting up of the hog movement. Lard was the feature of the day, advancing over ½ cent a pound for September. The packers were the buyers of ribs. January pork, which closed on Monday at $14 10, closed at night at $14 37. January lard, which closed on Monday at $7 95, closed to-night at $8 10. January ribs, which closed on Monday night at $7 37, closed to-night at $7 50.
