PROFITABLE INVESTMENT—1 per cent each month and clear of taxes—An enterprising and responsible country merchant, who is doing a lucrative business in a beautiful located county seat village in the Minnesota valley, wishes to increase his business capital, and offers for sale, with the privilege to lease the premises at an annual rent of equal to 12 per cent per annum; rent payable every month in advance; and besides pays the real estate taxes thereon—the following described best located town property, consisting of a corner lot 100x150 feet, facing east, with a fine and well built two-story frame business building, 22x50 feet, containing up stairs five pleasant dwelling rooms, handsomely painted and finished, three large clothes closets with shelving and a spacious hall-way; the ground floor with a wing in the rear 19x30 feet, one-story high, consisting of a neat general store with post-office; four nice dwelling rooms, closet, pantry and summer kitchen, with large cistern and pump; and adjoining the store is a warehouse 14x25, with a flat, iron roof, one story high, which needs only a railing to convert it into a nice veranda; there is also a good partitioned cellar, and the purest and best spring-well water of the village on the premises. The present owner, a business gentleman of refinement and culture, has recently enlarged, rebuilt and remodeled the property at a cash outlay of $1,600, and the house is in perfect order and nicely painted; the store the handsomest in the county, with all the shelving, counters, bins, etc., grained in oak color, and all the rooms up stairs, and on the ground floor are beautifully grained in light oak, nicely paper-hanged; all the windows have large one-light sashes with storm-windows and storm and screen-doors for the whole house; the property is almost wholly surrounded by large shade trees, which makes the house very cool in summer, and adjoining the building is a large 65x150-foot, beautifully platted-out garden, with lawn in front, large shade-trees alongside the house and in the rear; also, plenty of currant bushes, nice gravel walks and a spacious back-yard, and the whole property is surrounded by a substantial board fence and an ornamental picket fence in front; I intend to sell this property, which should be seen to be appreciated, at the low price of $2,200 cash, including the entire store-fixtures and outfit (worth $400, and as good as new); the title of the property is perfect, and no incumbrances thereon; the present owner occupies only the lower dwelling, and the upper story would be a comfortable dwelling for a purchaser, who wants to enjoy a quiet, country life, pure air, or a summer vacation with plenty of fishing and hunting sport in close vicinity.
