MISS BULL RECOVERS

FEARFUL DECLINE OF STRENGTH COMPLETELY ARRESTED.

Medical Skill Had Almost Exhausted Itself in Vain Attempts to Relieve Her—A Remarkable Result.

The recovery of Miss Gertrude L. Bull is of great interest to the medical world. A very bad cough followed a severe attack of pneumonia. It seemed impossible to break it up or to restore her strength, which had been sadly undermined. In spite of the best efforts of the doctors and the use of several advertised modes of treatment her condition daily grew more serious. She finally discontinued all medicine and gave herself up to despair.

"What was your condition at this time?" she was asked.

"My stomach was so weak I could not keep food down. I suffered from constant nausea. My kidneys were in terrible condition. My feet and ankles were swollen so badly that it pained me even to stand on them. I was very bilious. My heart was in bad shape so I could not go up and down stairs or stand any exertion or sleep in a natural position."

"It seems a wonder that you should ever have recovered. How did it happen?"

"You may well call it a marvel, but Dr. Williams' Pink Pills wrought it. None of my friends thought I could live many months longer. My parents had no hope. Just then a pamphlet advertising Dr. Williams' Pink Pills for Pale People was thrown in our door. It was a great event for me. These pills saved me from the grave. Within a week from the time I began to take them I felt better, and in three months I was entirely well. I cannot praise Dr. Williams' Pink Pills too highly and I dearly hope that my experience may bring good to some other sufferers."

Miss Bull, who was so remarkably cured, resides at Union Grove, Illinois. Dr. Williams' Pink Pills act immediately on the blood, purifying and enriching it. In all debilitating diseases, such as lung troubles, grip, fevers, and in all cases in which the system is thoroughly run down, these pills perform wonders. They are sold by all druggists throughout the world. A valuable booklet on diseases of the blood, will be sent free to any one who applies for it to Dr. Williams Medicine Co., Schenectady, N. Y.

Dr. Edwin F. Pardee, of New York City, says: "For several years I have recommended your Castoria and shall always continue to do so, as it has invariably produced beneficial results."

Dr. N. B. Sleer, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in them, but I know the formula of your Castoria and advise its use."
