SUPREME COURT DECISIONS

TIMBER-CUTTING ON THE PUBLIC LANDS.

TWO CASES DECIDED IN FAVOR OF THE DENVER AND RIO GRANDE RAILROAD—OTHER RAILWAY SUITS.

Washington, Oct. 23.—The cases of the United States against the Denver and Rio Grande Railway Company, involving the right of that company to take timber from public lands for purposes of construction, were decided in the Supreme Court today, the judgment of the United States Circuit Court for the District of Colorado being affirmed. The opinion was rendered by Justice Jackson and was an exhaustive exposition of the relations of the railroad to the Government under the acts of 1872 (a special grant of right of way to the Denver and Rio Grande, extended by the act of 1875) and 1875 (a general act governing the use of timber on public lands for railroad purposes). Justice Jackson's conclusions were that the two acts were not inconsistent; that the railroad company has the right to take timber from the public land adjacent to any portion of its line for use on any other part of its line; that the timber so taken may be used for construction of station buildings, bridges, water tanks and other structures necessary for the operation and maintenance of the road as a whole, this being the evident intention of Congress in the matter. Any other construction of the law, Justice Jackson said, would defeat the object for which the law was passed.

The Chief Justice announced the following orders of the court:

No. 752—The Columbus Southern Railway Company, plaintiff in error, agt. William A. Wright, Controller-General, etc.—Motion to advance granted and cause assigned for argument on the second Monday of January next, after the cases already set down for that day.

No. 419—Yee Ah Sheen, appellant, agt. the United States. Appeal from the Circuit Court of the United States for the Northern District of California.—Dismissed on authority of counsel for appellant, on motion of Solicitor-General Maxwell for appellee.

No. 878—The United States ex rel. the International Contracting Company, plaintiff in error, agt. Stephen B. Elkins, Secretary of the Department of War. In error to the Supreme Court of the District of Columbia.—Dismissed with costs, the cause having abated, on motion of Solicitor-General Maxwell for the defendant in error.

No. 1,013—The Covington and Cincinnati Elevated Railroad and Transfer and Bridge Company, plaintiff in error, agt. the Commonwealth of Kentucky.—Motion to advance submitted by Lawrence Maxwell, Jr., in behalf of counsel for the plaintiff in error.

No. 912—S. W. Carey et al., appellants, agt. the Houston and Texas Central Railway Company et al.—Motion to dismiss submitted by J. Hubley Ashton, Charles H. Tweed and A. H. Joline in support of motion, and by Jefferson Chandler and A. J. Dittenhoefer in opposition.

No. 1,045—The Northern Pacific Railroad Company, appellant, agt. A. G. Clark, county auditor, etc., et al.—Motion to advance submitted by A. H. Garland for the appellant.

No. 28—William L. Wallace, executor, etc., et al., appellants, agt. Theodore W. Myers, Controller, etc.—Appeal from the Circuit Court of the United States for the Southern District of New-York.—Dismissed per stipulation on motion of George K. French for appellees.

No. 26—Charles Moran, et al., etc., appellants, agt. the Wabash Western Railway Company; No. 51—The United States Trust Company, of New-York, appellant, agt. the Wabash Western Railway Company; and No. 57—The Wabash Western Railway Company, appellant, agt. the United States Trust Company, of New-York.—Argument begun by E. W. Sheldon for Moran, et al., and the United States Trust Company, of New-York, and continued by F. W. Lehmann for the Wabash Western Railway Company.

The day call for to-morrow will be: Nos. 26 (and 51 and 57), 50, 52, 53, 54, 55 (and 310), 56, 58, 29 and 59.

RAILROAD INTERESTS.

FREIGHT TRAFFIC HEAVIER THAN LAST YEAR.

Chicago, Oct. 23.—A marked improvement is to be noted in freight traffic. Shipments are now heavier than they were this time last year. The improvement appears both to eastbound and westbound traffic. There is one peculiar feature in regard to westbound shipments, however—a large proportion of them are less than carload lots. This shows a disposition on the part of Western jobbers and merchants to live from hand to mouth. It is an indication that the present volume of traffic will be maintained. Eastbound shipments of dead freight last week amounted to 63,234 tons, as compared with 54,075 tons for the previous week, and 61,616 tons for the corresponding week last year. Lake shipments fell off considerably. They amounted to 114,490 tons, against 146,161 tons for the previous week. Through shipments of flour, grain and provisions by the all-rail routes increased by nearly 2,000 tons. They aggregated 29,290 tons last week, against 27,528 tons for the previous week, and 28,167 tons for the corresponding week last year.

The proportions of through shipments carried by the competing roads last week were as follows: Baltimore and Ohio, 8.7 per cent; "Big Four," 7.2 per cent; Chicago and Erie, 10.3 per cent; Grand Trunk, 6.2 per cent; Lake Shore, 17.7 per cent; Michigan Central, 9.2 per cent; Nickel Plate, 8.5 per cent; Panhandle, 9.1 per cent; Fort Wayne, 14 per cent, and Wabash, 9.1 per cent.

DON M. DICKINSON APPOINTED RECEIVER.

Detroit, Oct. 23.—Judge Swan to-day, by consent of all parties concerned, appointed Don M. Dickinson receiver of the Detroit, Bay City and Alpena Railroad. The application for a receiver was made on September 11 by Roswell G. Rolston, president of the Farmers' Loan and Trust Company of New-York. Rolston wanted M. L. Sculder, and a holder of some $200,000 of the road's bonds wanted General Alger, president of the railroad, appointed as receiver. Mr. Dickinson's bond is $50,000.

GEORGE J. GOULD INSPECTING HIS ROADS.

Omaha, Neb., Oct. 23 (Special).—George J. Gould arrived in Omaha this morning from Chicago. Mr. Gould dined with S. H. H. Clark, President Millard, of the Omaha National Bank; General Solicitor John M. Thurston and General Manager Dickinson, of the Union Pacific. "There is little significance in my visit to Omaha at this time," said he to a reporter, "my intention being to take a run over a portion of the Missouri Pacific property before returning East. I go to Pueblo to-morrow, where I will be joined by Messrs. Warner and Doddridge, of the Wisconsin Pacific, and we will together inspect the property."

VANDERBILT SYSTEM AFTER THE ANN ARBOR.

Cleveland, Oct. 23.—It is believed here that the Vanderbilt system will soon acquire control of the Ann Arbor Road. Last week President John Newell, of the Lake Shore, went over the road with General Manager Ashley. Chief Engineer Handy, of the Lake Shore, has made frequent trips recently over the Ann Arbor, examined the whole road, and is now preparing a report, to be submitted to President Newell. General Manager Ashley, of the Ann Arbor, says that no proposition has yet been submitted, and that he cannot say whether one will be made or not.
