Asthma Cure Free!

Asthmalene Brings Instant Relief and Permanent Cure in All Cases.

Sent Absolutely Free on Receipt of Postal.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. Wells, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-size bottle."

We want to send to every sufferer a trial treatment of Asthmalene, similar to the one that cured Mr. Wells. We'll send it by mail Postpaid, Absolutely Free of Charge, to any sufferer who will write for it, even on a postal. Never mind, though you are desparing, however bad your case, Asthmalene will relieve and cure. The worse your case, the more glad we are to send it. Do not delay, write at once, addressing Dr. Taft Bros. Medicine Co., 79 East 130th St., New York. Sold by all Druggists'.

Miss Florence Duley, who run a paper at Creighton and Rockville, and was also one of the Eye office force about two years ago, has an enviable reputation as a nurse in Chicago Hospitals, and her present job is a "howling success," day nurse for Mrs. Ormsby's quartette of babies, born a few days ago, in the "windy city." Their financial needs are looked after by the Chicago American.—Clinton Eye.

H. Loeb, the Rich Hill merchant, was in town Saturday. * * * The Grand Lodge of Missouri, Independent Order of Good Templars will hold its next session in Hume, the second week of October, 1702. Walter Biser, who was elected Grand Marshal at Bronough, this week, brought home with him the paraphernalia of that body, and the local organization, which is the banner lodge of the state, will get ready to entertain the grand assembly of that order. It is quite a compliment to Hume, and every citizen should be interested in the outcome.—Hume Telephone.

We learn that Mr. A. Gwinn, an old timer, who sold the west half of the section, known as the Gwinn section near Sprague, to move to Saline county, after a years absence has decided to return to Bates and improve the east half of the land remaining and permanently locate amid the scenes of the last quarter of a century. Mr. G. is one of the men we welcome back, as is the case with all the good ones, they leave, but like the cat, will come back. * * * Mima Dawson secured the room in the Rich Hill schools vacant by the death of Miss Sanderson. We recommend Miss Dawson as one of Bates' most successful teachers, and bespeak for her a most pleasant time.—Hume Sun.

TRUSTEE'S SALE.

Whereas, John Ferry and Jane Ferry, his wife, by their certain deed of trust, dated the 16th day of July, 1889, and recorded in the recorder's office of Bates County, Missouri, in book 83, at page 439, conveyed to W. T. Marsh, as trustee, the following described real estate situated in the County of Bates, State of Missouri, to-wit: Lots eleven (11) and twelve (12), in block five (5), in the Rich Hill Town Company's first addition to the town, now city, of Rich Hill, which said conveyance was made to secure the payment of the several sums of money mentioned, and as provided in a certain promissory note or obligation in writing, in said deed of trust set forth and described.

And whereas, default has been made in the payment of the said several sums of money monthly and when due; and of fines assessed on account thereof as provided in said promissory note or obligation in writing; and such default has continued for more than six months, and the monthly payments now due thereon are in excess of all monthly payments therein provided for the period of six months.

And whereas, W. T. Marsh, trustee aforesaid, refuses to act as such in the foreclosure of said deed of trust, in which case said deed of trust provides that upon the refusal of said trustee to act, the then acting sheriff of Bates County, Missouri, at the request of the holder of said note may proceed to sell the property in said deed of trust described.

Now, therefore, at the request of the legal holder of said promissory note or obligation in writing; and in accordance with the terms of said deed of trust, notice is hereby given that I, the undersigned trustee as aforesaid, will, on Tuesday, the 5th day of November, 1901, between the hours of nine o'clock in the forenoon and five o'clock in the afternoon, at the front door of the Rich Hill bank, in the city of Rich Hill, Bates County, Missouri, proceed to sell the said above described real estate, or so much thereof as may be necessary, at public vendue to the highest bidder for cash, for the purpose of satisfying said debt so secured and the costs and expenses of executing said trust.

JOE T. SMITH,
Sheriff of Bates County, acting Trustee.

CONSTIPATION

"I have gone 14 days at a time without a movement of the bowels, not being able to move them except by using hot water injections. Chronic constipation for seven years placed me in this terrible condition; during that time I did everything I heard of but never found any relief; such was my case until I began using CASCARETS. I now have from one to three passages a day, and if I was rich I would give $100.00 for such movements; it is such a relief." AYLMER L. HUNT, 1020 Russell St., Detroit, Mich.
