CYCLOPEDIA OF LITERATURE.

The new eight volume ACME EDITION of CHAMBERS'S CYCLOPEDIA OF ENGLISH LITERATURE is meeting with the largest sale which has probably ever been given to a work having only high literary merit and nothing of the sensational. A second edition of 5 000 copies of volume 1 is announced as nearly all sold within one month after issue of the first edition.

Volume 2 just ready, gives the history and epitome of our literature, from the "golden age" of Queen Elizabeth to 1700, giving in its 416 beautiful pages biographies of and choice selections from the writings of all noted authors of that period, among which are Lord Bacon, Sir Walter Raleigh, Burton, Bishop Hall, John Knox, Milton, Dryden, Jeremy Taylor, and others. The work is of such well-known excellence that every person of literary taste possesses or desires to possess some edition of it. This edition is complete in eight handy volumes, excellent in typography, paper and binding, revised to date, and sold at prices so low, that a common question which the publishers have to answer is, "whether the price is for each volume or for the entire work?" It is sold only to subscribers direct, the large discount usually given to dealers and agents, being allowed to the subscriber instead. The publishers make special inducements to early purchasers, the eight volumes complete being sent prepaid, to those who subscribe before March 15th, in paper, for $2 50; in cloth $3 50, or in half morocco, gilt top $5. Specimen pages are sent free on request, or a specimen volume for examination, with privilege of purchase of the remainder, for nominal price; in paper, 20 cents; cloth, 35 cents; half morocco, gilt top, 50 cents. AMERICAN BOOK EXCHANGE, Publishers, 55 Beekman St., New York.

A specimen volume in cloth can be seen at the office of this paper, and those who desire can add their names to a club which will soon be forwarded.

That since the decease of said Michael Wyrick Sr., Henry Wyrick one of the said heirs has sold and conveyed all his interest in said land to James Abbet.
