FOR WOMEN ONLY.

There are good and substantial reasons why intelligent people and physicians as well, employ Dr. Pierce's Favorite Prescription for the cure of diseases and weakness peculiar to women.

In the first place, it is not a cure-all, serving only a singleness of purpose, being a *specific* for one class of diseases only—those peculiar weaknesses and maladies incident to women. Besides it is the only medicine put up for sale through druggists for the cure of such maladies, all the ingredients of which have the endorsement of leading medical practitioners and writers, as being the very best known remedies for the ailments for which "Favorite Prescription" is advised. All this will be learned to the reader's full satisfaction by perusing a booklet of extracts compiled by Doctor Pierce from standard authorities of the several schools of practice, and which will be sent *free* to any address on request for same, mailed to Dr. R. V. Pierce, Buffalo, N. Y.

In the second place, Dr. Pierce's Favorite Presciption is the only medicine for woman's peculiar weaknesses and affections, all the ingredients of which are printed upon the bottle wrapper *in plain English*, so that all who take it may know exactly what they are using.

A further reason for the unprecedented popularity of the "Favorite Prescription" of Dr. Pierce for the special use of women, is to be found in the fact that it contains not a drop of alcohol—pure, triple-refined glycerine, of proper strength, being used instead, both for extracting and preserving the medicinal principles extracted from such roots of native, medicinal, forest plants as are employed in its make-up. The printed formula will also bear witness that it contains no narcotics or other harmful or habit-forming drugs, being entirely made up of glyceric extracts of native, American plants of marvelous efficacy in the cure of the diseases peculiar to women.

Now, in this connection, it is well to bear in mind, that, curious as it may seem, yet it is a fact that Dr. Pierce's Favorite Prescription is the *only* medicine for the cure of women's peculiar weaknesses and maladies that does not contain alcohol *and that too in large quantities*. This fact can be easily proven; and yet it is a fact well known to all the best physicians that alcohol, even in small quantities, when long continued is very harmful, *and especially so to weak, invalid, nervous women*. While the effect of spirituous wines and liquors, sold under various enticing names may at first be to exhilerate, brace-up and unduly support the system for a brief time, yet a reaction comes sooner or later and the patient is worse off than before. Besides, a craving for alcoholic stimulants has gradually fastened itself upon the poor, deluded, suffering woman—a malady generally more to be dreaded than the original affliction.

Furthermore, Dr. Pierce's Favorite Prescription has a record of cures extending over a period exceeding this-third of a century and embracing more genuine cases of full and complete recovery than any other medicine in its line can boast of. Thousands have been saved from the operating table and the surgeon's knife by the use of this marvelously efficacious specific for woman's ailments. Other thousands have escaped the disagreeable ordeal of the doctors' questionings, and offensive examinations by taking this remedy and being cured in the privacy of their homes. It has cured thousands of bad, obstinate cases in which doctors had failed and in which cures were thought to be impossible.

What it has done for others it will no doubt, do for you, if similarly afflicted, and you give it a good, fair and faithful trial.

In favor of Dr. Pierce's Favorite Prescription being regarded away above the *secret* patent medicines of our time, is the frank, confiding open, honest statement of its full composition, giving every ingredient in plain *English*, without fear of successful criticism and with confidence that the good sense of afflicted women will lead them to appreciate this honorable manner of confiding to them what they are taking into their stomachs when making use of this medicine.

If suffering from backache, sideache, periodical headaches and other recurring pains at more or less regular intervals, disagreeable drains as if from pelvic catarrh, sickening sensations, dizziness at times, monthly headaches, irregularities, bearing-down or dragging-down sensations in the lower abdomen or any of the many kindred distressful and painful symptoms which accompany female weaknesses, then you cannot find any remedy quite so perfectly adapted for the cure of your malady as Dr. Pierce's Favorite Prescription. Bear in mind, it is not a secret nostrum, is not a patent medicine, to the use of which most intelligent people object because of the close secrecy with which the formulæ of such medicines are held, and which, no doubt are many times harmful in the long run, especially as all those for women contain large quantities of alcohol and oft times other objectionable ingredients. The only wise and safe course is to use only MEDICINES OF KNOWN COMPOSITION, and which, like Dr. Pierce's Favorite Prescription, contain no alcohol or harmful habit-forming drugs.

The *exact proportion* of the several ingredients used in Dr. Pierce's medicines, as well as the working formula and peculiar processes, apparatus and appliances employed in their manufacture, are withheld from publicity that Dr. Pierce's proprietary rights may not be infringed and trespassed upon by unprincipled imitators and those who may be piratically inclined.

For weak stomachs and the consequent indigestion or dyspepsia, and the multitude of various diseases which result therefrom, no medicine can be better suited as a curative agent than Dr. Pierce's Golden Medical Discovery. The Golden Seal root, Stone root, Mandrake root and Black Cherrybark, entering into its composition are all recommended by such eminent authorities as Dr. Bartholow, of Jefferson Medical College; Prof. John King, author of the "AMERICAN DISPENSATORY"; Prof. John M. Scudder, late of Cincinnati; Dr. William Paine, author of Paine's Epitomy of Medicine; Prof. Laurence Johnson, M. D., Medical Dept., University of N. Y.; Prof. Edwin M. Hale, M. D., Professor of *Materia Medica* in the Hahnemann Medical College, Chicago, and many others, as remedies for indigestion and dyspepsia, torpid liver as well as bronchial, throat and lung affections, as will be seen from reading a little booklet recently compiled by Dr. R. V. Pierce, of Buffalo, N. Y., who will send the same on request, by postal card or letter to any address, *free*. This little booklet tells of what Dr. Pierce's celebrated medicines are made, and gives the properties and uses of each and every ingredient entering into their composition. Write Dr. Pierce, as above and receive it by return post.

Queen's root, or Stillingia, is an ingredient entering into the "Golden Medical Discovery" highly recommended by several of the above mentioned authorities for the cure of chronic or lingering bronchial, throat and lung affections, public speaker's sore throat attended with hoarseness, dry, rasping cough and kindred affections. Not only is Queen's root specific in its curative action in all these affections, but in "Golden Medical Discovery" it is greatly assisted by the combination with it of Golden Seal root, Stone root, Black Cherrybark and Bloodroot, with which it is blended in just the right proportion.

Sick women are invited to consult Dr. Pierce, by letter *free*. Thereby they avoid the disagreeable questioning from which most women shrink as well as the still more repulsive examinations which are generally unnecessary. All letters of consultation are regarded as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

How to preserve health and beauty is told in Dr. Pierce's Common Sense Medical Adviser. It is *free*. For a paper-covered copy send Dr. Pierce as above directed. 21 one-cent stamps to cover cost of mailing *only*; for cloth binding 31 stamps.

Dr. Pierce's Pleasant Pellets cure bad, foul stomach and constipation and so help to cure nearly every disease of mankind. They regulate, tone up and invigorate Stomach, Liver and Bowels.
