Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. For all such, Electric Bitters work wonders. They regulate stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at Red Cross Pharmacy.

TWICE-TOLD TESTIMONY

Barre People Are Doing All They Can for Fellow Sufferers.

Barre testimony has been published to prove the merit of Doan's Kidney Pills to others in Barre who suffer from bad backs and kidney ills. Lest any sufferer doubt that the cures made by Doan's Kidney Pills are thorough and lasting, we produce confirmed proof—statements from Barre people saying that the cures they told of years ago were permanent. Here's a Barre case:

Mrs. N. M. Nelson, 18 West street, Barre, Vt., says: "I have the same high opinion of Doan's Kidney Pills as when I recommended them over eleven years ago. At that time I was suffering from kidney trouble, brought on by an attack of grip. I steadily grew worse and the lightest housework tired me. If I were on my feet for an hour or so, sharp pains across my back compelled me to sit down. Then other symptoms of kidney complaint set in and I was really in a bad way. I paid over one hundred dollars for doctors' prescriptions and medicines, but as I found no relief, I became discouraged. One day my husband brought home a box of Doan's Kidney Pills and told me to try them. A few doses brought the best of results and I continued taking the remedy until entirely relieved. My children have also taken this preparation with splendid results, and I advise other kidney sufferers to give it a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Study Your Telephone

Its habits are as important as the habits of a clerk.

If it is overworked; if calls from your office are numerous; it may be you are losing trade because of your line being reported "busy."

That report too often repeated is apt to drive prospective customers elsewhere; perhaps to competitors who have been keen enough to note the value of a special Receiving Telephone, a Special Line, or a Private Branch Exchange.
