ABOUT THE STATE

Happenings of Interest From Different Sections.

Fred E. Hall of Hardwick, a farmer, has filed a petition in bankruptcy giving liabilities of $3,755 and assets of $2,635, with $600 claimed exempt.

A frightened deer in Brattleboro Monday damaged several back windows of buildings on Main street. It attempted to jump through windows, and by the breaking of glass was badly cut about the head and neck, and in a bleeding condition was scared away.

Mrs. G. B. Liscom of West Brattleboro received a scare in her home recently and was very fortunate in not being injured. She had started a fire in the fireplace when suddenly there was a loud explosion. She went to the fireplace to investigate and a second explosion occurred. It was discovered soon after there were two loaded gun cartridges in the refuse that she had gathered for the fire.

A verdict of $7,500 was rendered on Thursday in Brattleboro in the damage suit of Adin F. Miller, administrator of the estate of J. Arms Miller of Dummerston, against the Boston & Maine railroad. J. Arms Miller, one of the largest fruit growers in the state, was killed by falling from a passenger train near Dummerston station last September while returning from the state fair at White River Junction. The testimony tended to show that he believed the train would stop to let him off, which it did not do, owing to a misunderstanding on the part of the conductor. George Weston of Bellows Falls and W. B. C. Stickney of Bethel represented the railroad and Clark C. Fitts and Harold E. Whitney of Brattleboro appeared for the plaintiff.

DIVER CAN'T FIND BODY.

Remains of Helen Smythe May Have Been Covered by Debris in River.

St. Johnsbury, June 8.—The body of Miss Helen Smythe, who was drowned with her brother and Miss Helen Ellis in Passumpsic river a week ago Thursday afternoon has not yet been recovered. A diver from Portland has been working for two days without avail. He has not quite reached the dam below the bridge and it is uncertain whether he will work below there or not. It is understood that the diver thought that some of the dynamiting done before he came may have covered the body with debris so that it could not rise.

Ends Hunt for Rich Girl.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, fainting and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50c at the Red Cross Pharmacy.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
