Mr. Went-and-Cut-It —Here's Mr. "Gets-It"

The New Plan Corn Cure That's as Sure as the Rising Sun

"Glad to meat you!" said the razor to the corn. "I'll bleed for you!" says the corn to the razor. Razors and corns love each other.

"Why, O Why, Did I Do It? 'Gets-It' for Me After This—If I Live!"

Corns love to be cut, picked, gouged, salved, plastered and jerked out,—they grow faster. Mr. and Mrs. Went-and-Cut-It realize it now, —they use "Gets-It" instead—it's the wonderful, simple corn-cure that never fails. Stops pain. You apply it in two seconds, it dries at once, the corn is doomed. Nothing to stick to the stocking or press on the corn. It means good-night to plasters, salves, diggers, razors and toe-bundling. You can wear smaller shoes. Your corns will come right off, "clean as a wristle." Never inflames healthy flesh. The world's biggest-selling corn cure.

"Gets-It" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.—Adv.

HOW TO GET RID OF CHRONIC DANDRUFF

The only sure way to get permanently rid of dandruff is to remove the conditions that cause it and then keep the hair and scalp in a clean, healthy, vigorous state so dandruff will never return. This beats shampoos, which merely remove the dandruff for a few days at most. The Red Cross Pharmacy is now strongly recommending Parisian Sage, a harmless, inexpensive and quick acting preparation, that is guaranteed to act directly on the cause of dandruff and entirely remove it or the purchase price will be cheerfully refunded.

Here is a test no one should fail to try. Get from your druggist a package of Parisian Sage. Rub a little of it into the scalp with the finger tips and see for yourself how the dandruff disappears, the hair stops falling out and all itching immediately ceases. Nothing hurts the scalp more than dandruff, so why not begin using Parisian Sage to-day and be forever rid of it?—Adv.

As the spring is approaching and the people are thinking of going farming, I want to tell them where they can find bargains on farms; here is a nice small farm, NO. 288, of 13 acres of nice laying land and very productive, with about 50 young fruit trees of different kinds; there is a nice set of buildings, almost new, consisting of a good house, barns, shed, henhouse and garage; this place is situated between Barre City and Websterville. It would make an excellent place for truck gardening and poultry raising; it would be right in the center of one of the best markets in New England; would sell this property with 1 good horse and other stock that there is, and a good equipment of tools sufficient to carry on the place; we would make the price right for the party who wants to sell. 303tf

NO. 289 is a large farm of about 200 acres; 75 acres of tillage and the balance pasture and woodland; the land lays very good and is very productive and very free from stones; there is a sugar place of 1,000 trees or more, and an orchard of about 500 trees with a lot of grafted fruit; large amount of hard wood and soft timber enough for the farm; plenty of barns, basement and shed room and a silo; there is a good large farmhouse; this farm is situated 1 mile from the school, 2 miles from the creamery and 2 miles from the saw-mill; plenty of good water running at the buildings; for a quick sale and good payments down, would sell for $2,200. 303tf

NO. 290 is a good proposition in a 2-tenement house with bath in each tenement, hot and cold water; gas and electricity; the house is in first-class shape and a nice lot, centrally located; it is a bargain for an investment or a home for a man who can live in one tenement and rent the other; the rent is worth $28 a month. If sold before the first of April would sell for $2,500. 303tf
