KENTUCKY'S TEAM

Ordered to Pull Together at the Chicago Convention

FOR BLACKBURN AND FREE SILVER

Two Gold Delegates from Louisville Shorn of Power by the Unit Rule—Breckinridge Talks for "Sound Money" Without Effect—Virginia Democracy Also in the Dad's Dollar Column—Cleveland Cheered and Hissed—St. Louis Convention.

LEXINGTON, Ky., June 5.—Delegates-at-Large—J. C. S. Blackburn, P. W. Hardin, John S. Rhea and W. T. Ellis. Alternates-at-Large—Robert W. Nelson, J. Morton Rothwell, Theodore F. Hallem and John D. Carroll. Electors-at-Large—J. P. Tarvin and W. B. Smith.

The Democratic state convention closed yesterday afternoon, after the free silver men had secured everything in the organization, as well as in the platform. The resolutions not only instruct the Kentucky delegation for Senator Blackburn for president, but also for the unit rule, so that the two delegates from the Louisville district will have no voice whatever at Chicago. The free silver men have the four delegates-at-large, and all the other delegates except the two from the Fifth district. The more radical ones wanted the committee on credentials to unseat enough delegates in the Fifth district to change the selections, but with the unit rule this was unnecessary. The Kentucky delegation stands twenty-four to two, and under its instructions for Blackburn and the unit rule it is the same as solid.

Read 'Em Some Political History.

When some gold men protested against the ironclad instructions they were cited to the case in New York when thirty delegates from that state were against Cleveland at his first nomination in 1884, and under the unit rule the whole vote was cast for Cleveland, and again at the last Democratic national convention it was cast as a unit for Hill. Blackburn and Hardin were free silver running mates in the last campaign. Rhea and Ellis, the other two delegates-at-large, have been the leading stump speakers in the free silver canvass which closed last Saturday. They are exceptionally brilliant orators. Nelson, Rothwell, Hallam, and Carroll, the alternates, were also prominent for free silver in the canvass, as were Tarvin and Smith, the candidates for electors. From expressions among the Kentucky delegation it is learned that their second choice for president is Bland.

Features of the Last Day.

There was not a great deal of excitement at the closing session of the convention. Everything was too one-sided. A feature of the day was a speech by Colonel Breckinridge, who told eloquently why he did not subscribe to the free silver idea. The platform report was an elaboration of the points given in these dispatches yesterday and was adopted with a whoop. C. K. Wheeler, of Paducah, was the permanent presiding officer of the gathering.

NATIONAL REPUBLICAN CONVENTION

Allotment of Seats in the Hall to the Press Practically Completed.

ST. LOUIS, June 5.—Perry Heath, of Cincinnati, the advance representative of Governor McKinley, has already opened headquarters at the Southern. He will be joined in a few days by General Grosvenor, and Mark Hanna, who is manager of the Ohio statesman's campaign, will arrive Monday to be on hand for the national committee meeting.

Arrangements for the allotment of seats reserved for the press at the national Republican convention have been practically completed. The press committee had a lengthy conference with Sergeant-at-Arms Byrnes and it was finally agreed that no paper should be allowed more than six seats in the press gallery. The great morning dailies of New York, Chicago, Cincinnati, Boston, Philadelphia, St. Louis, Pittsburg, St. Paul, Minneapolis, Denver and San Francisco will each be given six seats, while the afternoon papers of those cities will receive from one to four seats.

The St. Louis papers agreed to take the rear seats, giving the visiting press the more advantageous places. The papers from the less important cities will receive from one to four seats each. According to the present arrangements there will be 454 seats in the press gallery, and only working newspaper men will be allowed to occupy them. The drones will have to pose in that part of the convention hall reserved for the public. The press committee will today send word to each of the large daily papers of the country the number of seat that have been allowed them and notifying them that the tickets and badges for the seat or seats will be given the representative who presents properly accredited credentials upon his arrival at St. Louis.

ANOTHER IN LINE FOR SILVER.

Virginia Democrats in the Column for White Metal Coinage.

STAUNTON, June 5.—Micajah Woods, of Albemarle county, was the permanent chairman of the Virginia Democratic convention which met here yesterday. While waiting for the resolutions committee to report several gentlemen made speeches, among them Senator Thomas S. Martin. He called Cleveland a wrecker of his party. The silver men cheered and the gold men hissed at this. The senator predicted that the silver men would control the national convention and elect the president. Representative Tucker followed. He said: "There is in the White House a big man [cheers and hisses]; a great big man [more cheers and hisses]. While I do not agree with all Cleveland has done, I tell you he is an honest man and a patriot."

Senator Daniel read the majority report of the resolutions committee. It deprecates the "growing influence of trusts;" declares for a tariff tax for revenue limited to the necessities of an economically administered government, and opposes a third term of the presidential office. The financial plank is substantially as follows: "We are for sound money. The soundest that the world has ever had or can have"—which can be obtained only, the platform says, by the "free and unlimited coinage of both silver and gold at the ratio of 16 to 1 without waiting for the assent or concurrence of any other nation." Delegates to Chicago are instructed to vote for such a platform and for candidates for president and vice president who openly advocate that principle.

Munford, of Richmond, presented a minority report signed by himself and five others which declares that the Democratic party of Virginia stands ready to abide by the declaration of the Chicago convention soon to assemble, but as indicative of its own views it declares unalterable opposition to free coinage at 16 to 1 or any other arbitrary ratio without international agreement. The minority report was rejected by a vote of 1,276 to 371, and the majority report was adopted as it came from the committee.

The unit rule was adopted and a resolution passed declaring that the Democrats of Virginia would hail with enthusiasm the nomination of Senator Daniel as one of the candidates of the party on the national ticket.

GOV. MATTHEWS MAKES A BID.

Letter from the Indiana Governor to an Alabama Man.

BIRMINGHAM, June 5.—A local paper publishes a letter from Claude Matthews, governor of Indiana, in reply to one written by J. A. Rountree to the Indiana executive. In his letter Governor Matthews makes a bid for the support of the Alabama delegates to the national convention and says: "The indications are now that our state convention will be in the control of the silver sentiment, and that a delegation instructed for silver will be sent to Chicago. The feeling with us here is that strong, positive and clear resolutions shall be adopted, free from evasion or doubtful construction.

"Personally I favor a resolution denunciatory of the continuance of the gold standard, believing that it retards the return of prosperity and will continue to be destructive and injurious to the best interests of the American people, and calling for the coinage and use of both gold and silver on equal terms as standard money, and demanding the early independent restoration of silver to its old and rightful place in the coinage of the country.

"With such a platform we will carry Indiana by the largest majority ever given to a presidential candidate. To make a doubtful declaration, even with a western candidate, or adopt a gold platform, means defeat. Seldom has a grander opportunity been offered to a political party, and I trust we may be wise enough to grasp it. Should my views upon this subject accord with those of the delegates of Alabama I would ask for their favorable consideration at Chicago."

POPULISTS DIVIDE THE HONORS.

Oregon Returns Show That They Elect One Representative in Congress.

PORTLAND, Ore., June 5.—Returns and corrections received here show that Ellis (Rep.) has a plurality of 65 over Quinn (Pop.) for congress in the Second district. Complete returns are still missing from three counties. In the First district a mistake was discovered in the count in Yamhill county which reduced Vanderburg's (Pop.) vote in that county by 200.

This, together with partial returns from Curry county, gives Vanderberg a plurality of 100 over Tongue (Rep.). In both districts it will undoubtedly require the official count to determine the result. The count in this city is complete. Pennoyer for mayor has a plurality of 2,384 in a total vote of 15,279.

Still Another Gets Into Line.

JAMESTOWN, N. D., June 5.—The Democratic state convention met in this city. John Burke, of Polette, was chosen permanent chairman. The committee on resolutions reported favoring free coinage of both gold and silver, which was adopted. The delegates to Chicago were instructed to vote for free coinage of both gold and silver at the ratio of 16 to 1, and to vote for a candidate for president who would stand on that platform. There were about 125 delegates present. John D. Benton attended the convention as a spectator, having refused to act as a delegate on account of its silver complexion.

By the "Skin of His Teeth," Sure Enough.

MICHIGAN CITY, Ind., June 5.—Judge E. D. Crumpacker, of Valparaiso, was nominated yesterday by the Republican convention of the Tenth congressional district over Representative Hanley by a majority of 0.52 of a vote out of a total of 245 votes. The contest was bitter in nearly all its features, but the defeated candidate made a brilliant speech counseling hearty support of Judge Crumpacker and the Hanley forces went away with their resentment somewhat modified.

Populists Hold a Convention.

LEWISTON, Me., June 5.—The Populists held their state convention here. After indorsing the Omaha platform resolutions were adopted unanimously demanding free coinage at 16 to 1 without consent of other nations. Luther C. Bateman was nominated unanimously for governor. An exciting contest for delegates to St. Louis resulted in the defeat of Solon Chase, a former leader of the greenbackers.

WILD STORM IN NEBRASKA.

Farm Residences and Other Buildings Destroyed and Some People Hurt.

OMAHA, June 5.—A special to The Bee from Pender, Neb., says: A terrible hail storm and hurricane visited the farming section about five miles northwest of Pender last evening. For miles around the fences are wholly destroyed, the wires being strewn across the public highways to such an extent that passage is unsafe. The following farmers have lost residences or other farm buildings: William Sydon, James Atchison, Albert Chambers and John Otterman. Medical aid has been sent to the scene, and it is believed that several of Sydon's family are seriously hurt, and there may be others.

Travelers for a 2-Cent Fare.

TERRE HAUTE, Ind., June 5.—There was another executive session of the commercial travelers yesterday at which the question of rates on railroads was again discussed. At Wednesday's session it was all but decided to declare for a general 2-cent fare on all lines, and it is understood that it was unanimously voted yesterday that the members of every post in this country be notified to agitate a 2-cent rate and vote for no legislative candidate who is not pledged to vote for the reduction. The banquet and ball was held last night and was a brilliant affair.

Krueger Makes Another Diplomatic Scoop.

CAPE TOWN, June 5.—President Kruger, replying to the thanks of the released reformers, made a characteristic smile, saying: "If my little dogs bark; but a big one bites." This reference to Cecil Rhodes and the reformers shows accurately the feeling of the Boers on the subject.

MURDER DONE BY STRIKERS.

Milwaukee Street Car Fired Upon and the Motorman Fatally Shot.

MILWAUKEE, June 5.—A trolley car on the Cudahy line of the Milwaukee Electric Railway company was ambushed last night at a point two miles south of the city and fully twenty shots were fired into it. Two men were shot, one fatally. They are: John E. Breen, motorman, of Manistee, Mich., will die; Adolph Schwartz, conductor, of Milwaukee, shot through the leg. At a point midway between the suburbs and the city a log had been placed across the track. The conductor advanced to remove the obstruction when several shots were fired at him.

He fell, but was assisted to the car by the motorman. As the car was started forward a dozen more shots were fired and the motoman fell fatally wounded. The murderers are supposed to be strikers. Last night cars were stoned on the south side and several times shots were exchanged between officers and rioters. South of the city, in the suburb known as Silver City, attacks were made on several cars. Several arrests were made in that locality.

STRONG ON ECONOMY.

A Philadelphia Husband Dispenses With the Services of a Carpenter.

A newly married man, who had never had much experience in doing small jobs about the household, told several of his associates of his first attempt to gain his wife's approval by doing a favor for her.

"You know I am very fond of dogs," said he. "Well, I purchased a fine little fox terrier pup, and he was so full of ginger that he chewed up everything he could get at about the house and nearly worried my wife's pet cat to death. Then she suggested that I get a carpenter to build a pen in the yard for him. But I was strong on the economy lay and resolved to build the pen myself. The first thing I did was to order 12 feet of wire netting. It was the kind with holes in it about two inches in diameter. This cost me $3. When I got home, I found I had to have four posts, each five feet long, and these cost me $2. After I got the posts planted I had no hammer and nails. These cost me $2.20.

"I worked hard at the job for several evenings and finally completed it. Then I called my wife to bring out the pup, and I also expected to receive her congratulations. Triumphantly I placed the dog inside the inclosure and then waited to have my wife bestow her praise. The pup walked around the inclosure and then deliberately climbed up the coarse netting as easily as if it had been a stepladder and fell on the outside, and he's been at large ever since."—Philadelphia Record.
