OLD AGE A CRIME!

Some people are young at 60—red cheeked, ruddy and vigorous. Others are old at 40—joints beginning to stiffen up a bit; step beginning to lag and lose its springiness; occasional touches of pain in the back, feel tired without cause, and possibly a touch of rheumatic pain.

In most cases these are the danger signals to warn you that the kidneys are not promptly doing their work of throwing off the poisons that are always forming in the body. To neglect these natural warnings is a crime against yourself. If you have these symptoms you can find prompt relief in GOLD MEDAL Haarlem Oil Capsules. For more than 200 years this has been the recognized remedy for kidney and bladder ailments.

GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories at Haarlem, Holland. Get them at your druggist's. Do not take a substitute. In boxes, three sizes.

ROCK ISLAND NOT TO FOLLOW PLAN OF NEARBY CITY

"Rock Island merchants will not close their places of business this summer to allow the employes any vacation as far as can be learned at present. The stores here will remain open during all business hours, including Saturday afternoons and evenings."
