IN THE FIELD OF SPORTS.

CHAMPIONSHIP BASEBALL THIS WEEK.

THE SEASON OPENS ON THURSDAY—EFFORTS TO GET UP A NEW-YORK-YALE GAME.

The baseball season will be opened in earnest this week, and followers of the game hope that they have seen the last of wintry weather. The championship season of the National League will begin on Thursday, the opening games being as follows: New-York at Baltimore, Brooklyn at Boston, Philadelphia at Washington, Chicago at Cincinnati, Cleveland at Louisville, and Pittsburg at St. Louis.

It will be seen that the opening games will take place in the cities farthest South, with the exception of the game at Boston. This is a wise move, as it will give the teams the benefit of warmer weather. The exception in Boston is made because the clubs wish to take advantage of the new holiday in Massachusetts which takes the place of Fast Day. The Brooklyn and Boston teams will play only one game in Boston in the first series, coming back to Brooklyn to open the championship season at Eastern Park next Saturday.

Ward is particularly anxious to meet the Yale College team at the Polo Grounds on Wednesday. Yale has beaten both Boston and Brooklyn, while the Giants have not only won all their games this year, but they have won them all easily. The New-Yorkers are confident that they can defeat Yale easily. Ward intended to take his New-York players to Baltimore on Wednesday to be there in good season for the opening on Thursday, but if Yale will play on the special train on Thursday morning.

All the arrangements have been perfected for the special train which will carry the enthusiasts to Baltimore. The party will assemble at the Cortlandt-st. ferry at 8 a. m. The train will go over the Pennsylvania Railroad. The Baltimore management has reserved 150 seats in the grandstand just back of the New-York players' bench for the New-York delegation. Hanlon predicts that his Orioles will win two, and, possibly, all three games, basing his prediction on the superior condition of his team. The Orioles have spent several weeks in active work in the South, while the Giants for a time, at least, have been snowbound up at the Polo Grounds.

The New-York and Binghamton teams will play at the Polo Grounds to-day. Rusie will receive his final practice, and he will pitch the full nine innings. He and Farrell are likely to be the battery in the opening game at Baltimore, and little Murphy will probably cover shortstop. The Brooklyn and Springfield teams will cross bats at Eastern Park to-day.

The strengthened varsity team of Fordham College won an easy victory from the Madison Athletic Club nine at Fordham yesterday by a score of 13 to 4. The feature of the game was the battery work of Tracey and Boyle.

PREPARING TO RECEIVE THE GIANTS.

Baltimore, April 15.—"Johnnie" Ward and "Ned" Hanlon will ride in an open barouche drawn by six white horses in the procession here next Thursday, preceding the opening game of the League season between the New-York and the Baltimores. A letter has been received from Manager Ward stating that a large crowd of New-York "cranks," including many Wall Street brokers, will come down Thursday morning on a special train to whoop it up for the Giants. The New-York team, together with the director and other officials of the club, will come to Baltimore on Wednesday, and the boys will probably practise a little on the improved ball field at Union Park. The grounds have been levelled and made as smooth as any in the country, and the grandstand and entire arrangements renovated. The opening day, weather permitting, will be the occasion of the biggest baseball celebration ever seen in Baltimore. The Governor of the State, the Mayor of the city, judges of the courts, prominent citizens and merchants have accepted invitations to be present. A brass band will lead the procession through the principal streets to the park. It is likely that some of the New-York friends of the Giants will occupy carriages in the parade. The Baltimore players have returned greatly benefited by their three weeks' practice in the South, and promise to give the New-York team a lively tussle.

WON BY THE HOOSIER TEAM.

Cincinnati, April 15.—Nearly 5,000 people saw the Indianapolis team administer the first defeat of the season to the Reds. The game was exciting. Score:

Cincinnati	0	0	1	0	0	2	0	0	0	0	3

CHICAGO DEFEATS DETROIT.

Chicago, April 15.—The Chicago white stockings easily defeated the Detroits, of the Western League, this afternoon. McGill pitched for five innings, striking out seven men and shutting the Detroits out without a hit. Griffith, who finished the game, was wild. Score:

										R.	H.	E.

Detroit	0	1	0	0	0	3	0	0	0	4	3	6

PORTSEA'S WONDERFUL RACE.

San Francisco, April 15 (Special).—In 1889, at the Sheepshead Bay track, Drake Carter established a world's record by running three miles in 5 minutes 21 seconds. He carried 115 pounds in his record-breaking performance. The Australian steamer brings the news that the Champion Stakes, a classic three-year-old race run every year at the meeting of the Victoria Jockey Club, was this year won at Melbourne by Portsea in the wonderful time of 5 minutes 20½ seconds, which is now a world's record. Portsea, who is a small but compact horse, carried the crushing impost of 131 pounds, and won after one of the gamest struggles ever seen on an Australian racecourse.
