Alexander Brown & Sons, of Baltimore, inform the first mortgage bondholders of the Carolina Central Railroad Company that in view of the large and unexpected cash expenditures that have become necessary to put the Carolina Central Railroad in a condition to be safely and economically operated, the management states that it has been decided to pass the July interest on the $2,250,000 first mortgage bonds, and that this being the case, it is most important that there should be a meeting of the bondholders to decide upon whatever action it should be deemed most advisable to take under the circumstances. All bondholders are requested to be present at the office of the Maryland Trust Company in Baltimore, on Saturday, June 30, at 12 m. when Alexander Brown & Sons state they will be in a position to submit full information in regard to the Carolina Central Railroad Company and their suggestions as to what would be the proper course to pursue.

Cleveland, Cincinnati, Chicago & St. Louis Railway Company

ST. LOUIS DIVISION

First Collateral Trust Mortgage 4 per cent Gold Bonds,

DUE NOVEMBER 1ST, 1990.

PRINCIPAL AND INTEREST PAYABLE IN GOLD COIN OF THE UNITED STATES OF THE PRESENT STANDARD OF WEIGHT AND FINENESS, WITHOUT DEDUCTION FOR TAXES.

INTEREST PAYABLE MAY 1ST AND NOV. 1ST IN THE CITY OF NEW-YORK.

COUPON BONDS OF $1,000 EACH, CONVERTIBLE INTO REGISTERED BONDS OF $1,000 AND MULTIPLES THEREOF.

These bonds are the remainder of an issue of $10,000,000 on the St. Louis Division of the Cleveland, Cincinnati, Chicago & St. Louis Railway Company, extending from Terre Haute, Ind., to East St. Louis, Ill.

On July 1, 1894, all the other outstanding mortgage bonds on this property mature and will be paid off out of the proceeds of this issue, and these bonds, besides being a direct obligation of the C., C., C. & St. L. Ry. Co., will then be secured by an absolute first mortgage on the property mentioned.

$250,000 of the bonds were at the time of their issue deposited with the Trustees as a Sinking Fund, the interest thereon to be regularly collected and applied to the purchase of outstanding bonds, at not exceeding 105 per cent. and interest, by which process the retirement of the entire $10,000,000 C., C., C. & St. L. bonds will be nearly provided for at their maturity; no bonds can, however, be called for retirement prior to their maturity, and all purchases for the Sinking Fund must be made in the open market.

The following statements are made to us by the President of the Company: "The line is an old one, having been completed in 1856. From 1867 to 1890 it was operated under lease by the C., C., C. & St. L. Ry. Co. and its predecessors as one of its main lines of railway, by means of which the entire system obtained access to St. Louis.

"In view of the fact that under the terms of the lease the rental was constantly increasing proportionately with the traffic over the line, it was manifestly desirable to terminate the lease and acquire the actual ownership of the property, if it could be done on a satisfactory basis.

"After long negotiations, such ownership was acquired in 1890, and as the purchase price therefor the C., C., C. & St. L. Ry. Co. issued its $10,000,000 bonds above mentioned, thus effecting a minimum saving of $50,000 per annum.

"The line is 183 miles in length, and has 70 miles of sidings.

"It is well situated, running across the centre of the State of Illinois, through one of its richest sections and some of its best towns and cities.

"It is in first-class condition, and is throughout a main trunk line. Its terminals in East St. Louis are very extensive, and have not only great actual present value, but also a steadily increasing one, by reason of the occupation of all other ground by other systems. They could not be duplicated at the present time, and as the C., C., C. & St. L. is the outlet of the Vanderbilt System to points in its territory, these terminals are essential and greatly add to the value of these bonds.

"The C., C., C. & St. L. Ry. Co. is entirely free from floating debt."

We offer $6,000,000 of the above bonds, which are now ready for delivery, for sale at 90 per cent. and accrued interest.

Mortgage bonds of the St. Louis, Alton and Terre Haute Railroad Company on the line in question (the last of which, as above stated, mature July 1, 1894) will be accepted at any time prior to that date, at par and interest to maturity in payment for the bonds now offered.

To the First Mortgage Bondholders
OF THE

CAROLINA CENTRAL R. R. CO.

In view of the large and unexpected cash expenditures that have become necessary to put the Carolina Central R. R. Co. in a condition to be safely and economically operated, the Management states that it has been decided to pass the July interest on the $2,250,000 First Mortgage Bonds. This being the case, it is most important that there should be a meeting of the Bondholders to decide upon whatever action it may be deemed most advisable to take under the circumstances.

All such bondholders are therefore requested to be present at the office of the MARYLAND TRUST CO., in this city, on Saturday, June 30th, at 12 M., by which time we will be in a position to submit full information in regard to the Carolina Central R. R. Co. and our suggestion as to what would be the proper course to pursue.

To the Holders of the CONSOLIDATED MORTGAGE BONDS of the Northern Pacific Railroad Company:

Successive defaults in interest upon prior mortgages make prompt action in your behalf necessary.

In addition to the direct support of holders of Consols, this committee has, in its investigations and efforts to secure economies, the active co-operation and support of the holders of about one-half of the Third Mortgage Bonds and of more than one-quarter of the Second Mortgage Bonds—the benefits of such united and concerted action by all classes of bonds being manifest.

Bondholders who may not agree to the reorganization plan hereafter presented by this Committee may, under the terms of the agreement, withdraw their bonds from deposit.

Deposits of bonds should be made with The Mercantile Trust Company, Depositary. Engraved certificates of deposit are being issued by said Trust Company, and application will be duly made to list these certificates on the New-York Stock Exchange.
