"Supper Ready"

When you get back to camp, tired and hungry, you do not want to spend the evening getting supper ready. You want a stove you can start up in a minute—that will cook quickly and well.

For camp, houseboat or bungalow, a New Perfection Oil Cook-stove is the ideal cooking device. It is ready for use in a moment. It saves all the trouble of cutting wood and getting in coal. It does not overheat or make dirt in a kitchen; there are no ashes nor smoke. It requires less attention and cooks better than any other range.

Made with 1, 2 and 3 burners, with long or short blue enameled chimneys. Handsomely finished throughout. The 2- and 3-burner stoves are provided with a cabinet top, which is fitted with drop shelves, towel racks, etc.

Dealers everywhere. If none for the asking, write to the nearest agency of the
