THE BANK STATEMENT.

Saturday, August 25—p. m.

By the operations of the New-York Sub-Treasury in the week ended last night, which included payments of $76,142 for purchases of Pacific Railroad bonds, the associated banks gained $5,550,221. The weekly bank statement published today showed an average loss in cash of $863,800. It was, in fact, one of those unusual exhibits which can only be explained by the system of averages. The reported changes were without meaning. There was a further expansion of loans by $2,464,900, but this change did not help the deposits except by $896,800. The statement was not only inconsistent; it was inexplicable. The result of all the changes was a loss in surplus reserve of $1,088,000, but the banks still hold in excess of legal requirements, $66,718,650, against a deficit of $6,737,675 in the corresponding week a year ago, and a surplus of $9,887,875 at the same time in the preceding year.

The following are the comparative statements of August 18 and August 25:

	August 18.	August 25.	Differences.
Loans	$480,298,800	$488,763,700	Inc. $2,464,900
Specie	91,028,400	90,744,800	Dec. 283,600
Legal-tenders	123,000,500	122,420,300	Dec. 580,200
Deposits	584,889,000	585,785,800	Inc. 896,800
Circulation	9,761,400	9,756,700	Dec. 4,700

The following shows the relation between the total reserve and the total deposits of the respective dates:

Specie	$91,028,400	$90,744,800	Dec.	$283,600
Legal-tenders	123,000,500	122,420,300	Dec.	580,200
Total reserve	$214,028,900	$213,165,100	Dec.	$863,800
Reserve required against deposits	146,222,200	146,446,450	Inc.	224,200
Surplus	$67,806,650	$66,718,650	Dec.	$1,088,000

The Clearing House statement was as follows: For to-day—Exchanges, $68,782,049; balances, $3,913,785. For the week—Exchanges, $423,692,778; balances, $25,890,405.

WHAT WAS DONE IN STOCKS.

Distilling and Cattle Feeding made the market to-day. It was known that Congress had adjourned until Monday, and for that reason the President could not send in a message. The pending Tariff bill was, therefore, a law until it had been vetoed. The reasons for the abrupt fall in "whiskey" were consequently not apparent. The transactions in it were more than one-half of the total business, and after 24⅝ and 19¾ it closed with a loss of over 3 per cent, at 20¼. It is doing this stock too much honor to hinge other declines on it. It needs to be said that changes were almost universally declines and that the closing was weak at the decline. The publication of the bank statement was without influence because the changes were small and meaningless.

IN THE BOND MARKET.

Transactions in Government bonds included $25,000 each of coupon and registered 4s at full prices. Quotations were not changed, however, and remained as follows:

Among State issues, Virginia funded debt 2—3 per cents sold at 58⅞ on seller's option for thirty days. There were no transactions in city bank stocks.

The general bond market yielded readily on realizations. Atchison 4s declined to 72¾@73, and A seconds 1⅜ per cent to 24¼. Philadelphia and Reading issues were less active and fractionally lower. First incomes sold at 36½ and general 4s at 78⅞. Texas and Pacific income seconds were active, but closed ⅛ per cent higher. Final changes were divided, but not large. Reference is made to our full report of bond sales.

Rates for money were nominal, as usual on Saturday, but on call the current rate was 1 per cent.

The Sub-Treasury was debtor to the Clearing House $189,180.

In London British consols closed unchanged at 102¼ for both money and the account. The Bank of England further gained £28,000 bullion on balance. Bar silver rose 7-16 to 30⅝d an ounce. American railway shares closed at a further advance. At Paris French 3 per cents again rallied 19 centimes to 103.47½, sight exchange on London remaining at 25.20 francs to the £ sterling.
