ON THE STOCK EXCHANGE.

Friday, October 5—6 p. m.

The market to-day was not particularly active at the opening, but the state of things which prevailed at the close last night was continued, the bear interest went on covering, and prices during the day, therefore, showed firmness, despite the pressure against them. Every one would be surprised if American Sugar Refining did not lead the trading, and it led to-day, as usual, but with the bulk of transactions lighter by some thousand shares than recently—in all, 38,129 shares. It opened up at 86¼, moved about within 1⅜ points, and closed the same as yesterday at 85⅝. There was no news on the property. Chicago Gas was next in the industrial group in amount of sales (22,670 shares). Shortly after the opening it sold at 74¼, and then, before noon, declined to 73¾. Subsequently it was firm, its final price being 73⅞, the same as yesterday. Very little was done in Distilling and Cattle Feeding—1,840 shares, as against 9,795 yesterday. It opened up ¼ at 9¾, was as low as 9½, but closed at 9⅝, gaining ⅛, against ⅜ yesterday. Other industrials showed slight changes.

There was improvement in all the Grangers. St. Paul was most active, and advanced 1⅛ points. Burlington moved up a full point, while Rock Island gained ⅝. The last-named stock was under pressure all day by the cliques who were covering in the rest of the group. On the general list New-York Central was down ½ finally; Missouri Pacific gained ¾; Atchison showed no change at 6; Reading was up ¼. The sales were less than usual of late, being only 158,494. At the close the market was firm. The announcement of a receivership for a firm of Broadway brokers had no effect upon the market, neither of the partners composing it being members of the Exchange.

THE BOND MARKET.

There were no transactions in Government securities. Quotations slightly changed from yesterday are as follows:

In State bonds the following sales were reported: South Carolina 6s non-fundable, $37,000, 1⅞; $5,000 of the same at 2; Virginia Funded Debt 2—38, $2,000 at 58⅞ and $7,000 at 59. Of city bank stocks, 15 shares of the National Bank of the Republic were sold at 155, the last previous sale being 155½.

The market for railroad bonds showed few features, beyond continued animation in Chesapeake and Ohio general 4½s and Texas Pacific 2ds. Changes were unimportant except the advances of ¾ in Cincinnati, Dayton and Ironton 1st 5s to 100¾; ¾ in Kanawha and Michigan 1s to 74, and 3in Minneapolis and St. Louis 1sts, Southwest Extension, to 163. A loss of 1 in Oregon Short Line 6s to 81 was the only decline of note. About a million and a half (par value) was traded in.

The Clearing House statement was as follows: Exchanges, $89,657,483; balances, $7,089,113.

The Sub-Treasury was debtor to the Clearing House $497,010. The business of the Sub-Treasury for the week ending to-night includes receipts of $15,889,152 and payments of $18,129,674, leaving the general balance $137,714,565, against $139,955,087 on September 28, an apparent loss of $2,240,522. Deducting from the payments $2,791,000 and from the receipts $1,785,000 for items which affect only its account with the general Treasury, its gain as affecting the bank was $1,234,522.

To-day's operations included: Receipts, $2,030,166; payments, $1,939,236, with balances of $77,293,566 coin and $60,117,625 currency.

The United States Treasury at Washington received to-day $199,405 National bank notes for redemption. The customs receipts were $552,683, the internal revenue receipts $237,859 and the miscellaneous receipts $20,944.
