TRY IT! SUBSTITUTE FOR NASTY CALOMEL

Starts your liver without making you sick and can not salivate.

Every druggist in town—your druggist and everybody's druggist—has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

The Markets

New York Stock Exchange.

New York, Aug. 25.—Gains of the morning were largely lost in today's later dullness, profit taking and bear pressure effecting moderate reactions. The close was heavy.

Munitions, Mexicans and equipments extended their gains in the forenoon. Bethlehem Steel advancing ten points after losing seven, with one to two point gains for Crucible and Lackawanna Steels, and substantial fraction for United States steel. Mexican Petroleum increased its advance to almost three points, while one to one one-half points measured the gains in American and Baldwin Locomotives and Airbrake. Coppers yielded none of their prominence and Mexican preferred made full recovery, with strength in United Fruit, Industrial Alcohol and General Motors preferred. Other motor issues were heavy and rails continued sluggish. Bonds were steady.

Steel furnished the temporary diversion of the early afternoon, its sudden advance to 92¼, within ¼ point of its record point of concurrent strength in Reading and other leaders. Prices soon shaded, however, on moderate offerings.

Yeggmen Blow Open Pinos Altos P. O. Safe

Silver City, N. M., Aug. 25.—The Pinos Altos mining camp nine miles north of here, was visited by yeggmen who blew the safe in the general store of W. E. Watson, who is postmaster, and made a haul of $200 in money and stamps. A large part of the cash was postoffice funds. It is believed that the robbers used an automobile, leaving it just outside the camp.

The postoffice inspector at Albuquerque was notified by wire of the robbery and pending his arrival the sheriff's office is making an effort to apprehend the yeggmen. Nitro-glycerin was used to blow open the safe, which was wrapped in comforters and blankets to deaden the sound of the explosion.
