## ON THE STOCK EXCHANGE.

Friday, October 26—p. m.

The trading to-day practically ends one of the dullest weeks for October ever known on the Stock Exchange only 84,857 shares being sold. Little interest was manifested outside the Coal properties, and even in those the trading was extremely light. The Grangers were firm, and on small business showed only fractional changes. St. Paul was the most largely dealt in, over 12,000 shares being done, and its change was an advance of ⅛. The Industrials were practically neglected and unchanged, and the general list had the same treatment, with, perhaps, the exception of Manhattan, which moved within 2 points, closing at 106—a net loss of ¾. Its highest was 107½, its lowest 105½, and the opening price 106¾.

The Coal properties were attacked again, and showed weakness all day. There was no fresh news about them. Delaware and Hudson lost most heavily, being 2 points lower at the close, at 126, having touched 125½ at one time. Lackawanna was less variable, and was firm at 163½ during the morning; but it weakened subsequently, and its final price was 162½, the lowest of the day for it. Central of New-Jersey showed a loss at the close of only ¾, but its fluctuations were wider. Opening at 104¼, it rose to 105½, then broke to 102¾, rallying to 103½. Reading moved within ⅞ of a point, closing at 16¾—within ¼ of the lowest price of the day, having opened at 17.

No gold will be shipped abroad to-morrow, but the foreign exchange market is close to the exporting point yet, and firm. The stock market closed weak, with slight recoveries from the lowest.

Dealings in State issues were as follows: $20,000 Virginia 6s Def'd Trust receipts, at 8¼; $9,000 Tennessee Settlement 3s at 79; $25,000 of the same, at 79—(sold yesterday, but not reported until to-day).

Of city bank stocks, four shares of the Bank of New-York were sold at 230, the last previous sale being 223.

Railroad bonds were higher on a moderate business, though, as a rule, changes in quotation were confined to small fractions. Chicago and East Illinois general 5s rose 1½ to 101½, Louisville, New-Albany and Chicago consols 1½ to 95, Toledo, Ann Arbor and North Michigan firsts 1¼ to 84¼, Canada Southern seconds ¾ to 105½, New-York Central debenture 4s, ¾ to 105 and Northern Pacific seconds 1 to 87, while Kansas Pacific first consols lost 1 per cent at 76¼. The par value of sales was $918,000.

The Clearing House statement was as follows: Exchanges, $74,898,681; balances, $8,373,928.

The Sub-Treasury was debtor to the Clearing House $446,371. The business of the Sub-Treasury for the week ending to-night includes receipts of $14,353,499, and payments of $14,904,327, leaving the general balance $132,503,666, against $132,754,495 on October 19, an apparent loss of $250,829. Deducting from the payments $2,621,000 and from the receipts $520,000 for items which affect only its account with the general Treasury, its gain as affecting the banks was $1,550,172.

The United States Treasury at Washington received to-day $444,882 National Bank notes for redemption. The customs receipts were $581,275, the internal revenue receipts $250,433 and the miscellaneous receipts $1,160,506.

To-day's Washington Treasury statement of cash on hand and deposits in bank compares with the figures of the last previous statement as follows:

| | Oct. 25. | Oct. 26. | Differences. | |
|---|---|---|---|---|
| Net gold on hand | $60,656,301 | $61,140,539 | Inc. | $484,238 |

| Net cash bal. | $122,843,104 | $122,553,443 | Dec. | $289,661 |

There was no change in the condition of the money market. It is expected that the bank statement to-morrow will show that less money is coming this way to increase the present supply, already too large, the check in the flow being due to the latest determination of the New-York banks in regard to interest on deposits from interior banks. Rates were as follows: 1 per cent for money on call; 1½ per cent for sixty days, 2 per cent for ninety days and 2½@3 per cent for four to six months. It is said that some money yesterday was loaned at 1 per cent for sixty days. Good mercantile paper was not liberally offered. Quotations were: Prime indorsed bills receivable, 3@3½ per cent; choice single name, 4@5 per cent, and good, 4½@5½ per cent.

The New-York exchange was quoted to-day as follows at the places named: Chicago, 25c. discount; New-Orleans, commercial, $1 25 discount, bank par; Charleston, buying, ⅛c. discount, selling par; San Francisco, sight 10c., telegraph 12½c; Boston, 6 to 8c. discount; Savannah, buying, 3-16c discount, selling par to 1-16c. discount; St. Louis, 25c. discount.

While the market for foreign exchange was dull and steady and showed no hardening tendency, it was still so narrow that comparatively slight buying would probably change the situation sufficiently to lead to good shipments. No gold will go out this week, however. Commercial bills were in reasonable supply, but most of them were against contracts previously made. Rates for actual business were as follows: Cables, $4 88; and $4 86¾@$4 87 and $4 87¾@$4 88 for long and short sterling respectively. Francs, 5.16⅞ for long and 5.15 for short; reichsmarks, 95½ and 95⅞, and guilders, 40¾ and 40⅞. The market was firm at the close.

Money in London was at ¼ for day by day; and 9-16 for short and three months' bills. Exchange on London was at 25.14@25.14½; discount, 2@2¼ per cent; Berlin, discount, 1⅝@1¾ per cent; exchange on London, 20.37. Frankfort, discount, 1⅞@2 per cent. Amsterdam, discount, 1⅞@2 per cent. Antwerp, discount, 1⅞@2 per cent. Bar silver advanced ⅛d. to 29½d. per ounce, against an advance in New-York of ½ to 63¾@64½ cents. British consols, for both money and the account, closed unchanged at 101¾, having been at 101 13-16 during the day. American securities were generally lower, and New-York Central lost 1 per cent at 101½. Illinois Central ¾ at 92¾. Canadian Pacific ½ to 66⅛. Mexican 4s ⅛ at 59. Erie shares ⅛ at 13¾. Pennsylvania ⅛ at 52½, and Reading a like amount at 8⅞. St. Paul rose ½ to 62¾ and Mexican shares ⅛ to 14¾.

French 3 per cent rentes closed at 101 francs 32½ centimes—a gain of 7½ centimes. Paris exchange on London was
