This is a Bad Month

The indoor life of winter, with lack of outdoor exercise, puts a heavy load on the kidneys. Nearly everybody suffers from rheumatism, backache, pain in sides and back, kidney and bladder ailments. A backache may not mean anything serious, but it certainly does not mean anything good. It's better to be on the safe side and take Foley Kidney Pills to strengthen and invigorate the kidneys and help them do their work. They help rid the blood of acids and poisons. Sold by City Drug Store.
