# THE DAILY TOMBSTONE.

Old Series | TOMBSTONE, ARIZONA FRIDAY EVENING SEPTEMBER 23, '85. | Volume IV, No. 43

## To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

## Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.

## To The Public.

From and after this date Summerfield Bros would inform their friends and patrons that all accounts will be closed, and no new ones will be opened. Nothing hereafter can go out of the store except for cash. We take this method of informing the public and our friends of our resolution so that they will not ask for credit which will be positively refused in all cases there being no distinction. We will sell our goods from 15 to 20 per cent below former prices for cash and positively no credit to any one. We are compelled to take this step owing to the dull time, and will not deviate from this rule with any person whatsoever. Respectfully,

SUMMERFIELD BROS.
