THE DAILY TOMBSTONE.

Old Series | TOMBSTONE, ARIZONA, WEDNESDAY EVENING, OCTOBER 7, '85. | Volume IV, NO. 53

To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.

From and after this date Summerfield Bros would inform their friends and patrons that all accounts will be closed, and no new ones will be opened. Nothing hereafter can go out of the store except for cash. Mrs. Smith's Case, and what the Rev. Mr. McKinstry has to say about it.

To the Persecuted: I have been a fearful sufferer for fifteen years, most of the time with what has been called Eczema or Salt Rheum, Psoriasis and Lepra, and the like, and have always been told that there was no cure for me, and have been so discouraged that I had as soon die as live. I have been so badly afflicted sometimes that there was not the smallest spot from the crown of my head to the soles of my feet that was not diseased and as red as crimson. It would commence in small white spots, which had a silvery appearance, but were not deep, but if I attempted to heal them, or even after their first appearance, they would burn and run together until there was a complete dry, red scale, which would become so inflamed as to crack and look fiery and angry, and the burning sensation would be almost intolerable.

I was at times so lame that I could scarcely get about, and could not dress myself without assistance. I have tried many remedies, and have paid $500 in a single instance to a physician, but have ever obtained only temporary relief. Although helped for a time, I soon relapsed again to be as badly troubled as ever, and during the winter of 1881 and 1882 I suffered so much as to be entirely discouraged. Last June, however, I was advised by Elder and Mrs. L. C. McKinstry, who are well known in these regions, to try your CUTICURA REMEDIES; and I felt somehow a little courage from their favorable opinion of them, to try their virtue. About the second week of July last I commenced taking the remedies, and within six weeks I began to see a permanent improvement, until now (Oct. 1) I am about as good as new, and my flesh is as the flesh of a child.

MRS. BENJ. SMITH.

I certify that the above statement of my wife is correct, and I join with her in expressing my gratitude for the great benefit she has received.

B. SMITH.
