To Dyspeptics.

The most common signs of **Dyspepsia, or Indigestion,** are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of **all disorders of the stomach and bowels.** They are the best of all purgatives for family use.

Tombstone, Sept. 7, 1885.

Where is Key West?

Key West is one of the busiest manufacturing ports on the Atlantic coast. Cigars, of course, constitute the principle article of export. The Key West is situated on the Florida coast, only sixty miles from Havana. The famous Key West cigars are made from tobacco of the finest Havana procurable, and made by Cuban workmen. The tobacco only has to pay an import duty of $2.50 per pound and 25 per cent ad valorum on cigars. The climate is the same as in Cuba, consequently the aroma is the same as in the imported cigars. Smokers should take these facts into consideration and call on Ashman & Walker, who have just received a fresh stock of the best brands of Key West Cigars, including the "Estrellas," "Celonia," " " " " " therefore

The Pioneer mills flour, Sacramento, is the best in the market. For sale at the Cash Store of WOLCOTT & MASSICK.
