To Dyspeptics.

The most common signs of Dyspepsia, or Indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.

To The Public.

From and after this date Summerfield Bros would inform their friends and patrons that all accounts will be closed, and no new ones will be opened. Nothing hereafter can go out of the store except for cash. We take this method of informing the public and our friends of our resolution so that they will not ask for credit which will be positively refused in all cases there being no distinction. We will sell our goods from 15 to 20 per cent below former prices for cash and positively no credit to any one. We are compelled to take this step owing to the dull time, and will not deviate from this rule with any person whatsoever. Respectfully,

Where is Key West?

Key West is one of the busiest manufacturing ports on the Atlantic coast. Cigars, of course, constitute the principle article of export. The Key West is situated on the Florida coast, only sixty miles from Havana. The famous Key West cigars are made from tobacco of the finest Havana procurable, and made by Cuban workmen. The tobacco only has to pay an import duty of $2.50 per pound and 25 per cent ad valorem on cigars. The climate is the same as in Cuba, consequently the aroma is the same as in the imported cigars. Smokers should take these facts into consideration and call on Ashman & Walker, who have just received a fresh stock of the best brands of Key West Cigars, including the "Estrellas," "Colonia," " ther fa

Walsh, or bearer, of the principal sum of Five Hundred Dollars ($500), on March 1st, 1889, with interest thereon at the rate of 6 per cent per annum, payable semi-annually on the first days of September and March in each year, which said interest is further secured to be paid by ten coupons of even date with said bonds, attached to each of said bonds, each of said coupons being for the sum of Fifteen Dollars. And

WHEREAS, The said Rattlesnake Mining Company, for the purpose of securing the payment of said bonds and the interest to accrue thereon, according to the tenor of said bonds and coupons, by its Deed of Trust bearing date March 1st, 1884, and filed for record in the Recorder's Office of the County of Cochise and Territory of Arizona, and recorded in Book 8, Deeds Mines, Page 74, et seq., did convey to the undersigned, John R. Walsh, as trustee, the following described property situated in the County of Cochise and Territory of Arizona, to-wit: The Rattlesnake Mining claim, the Mammoth Mining claim, the Black Eagle Mining claim and the Sunset Hill Mining claim, all situated and located near Tombstone, in the Tombstone Mining District, in the county of Cochise aforesaid; for a more full and complete description of said mining claims, reference being made to the description thereof, or maps or plats thereof in the Recorder's office of said county of Cochise; and also all that tract, piece or parcel of land, containing about seven (7) acres, known as the Watervale Mill Site claim, located in said Tombstone Mining district, in the said county of Cochise, and designated by the field notes and official plat on file in the United States Land Office in Tucson in said Territory of Arizona as lot No. one hundred and thirty-eight (138) in townships nineteen (19) and twenty (20) south, range twenty-two (22) east of the Gila and Salt river meridian. The location of said mill site claim is recorded in the Recorder's office of said county of Cochise, in Book 1, Page 98 of Mill Sites, reference being hereby made to said record for a more full and complete description of the same. And

WHEREAS, It was provided in said Deed of Trust that in case of default in payment of the said bonds or coupons, or any of them, or any part thereof, then and in such case, on the application of the legal holders of one-half in amount of the said bonds then outstanding and unpaid, it should be lawful for the party of the second part, his heirs or assigns or successors in trust, to enter upon, possess, hold and enjoy said premises and property, and either with or without such entry, after having given thirty days' previous notice by publication once in each week for four successive weeks in a newspaper published in the county where said premises are situate, to sell said premises or any part thereof, and all the right and equity of redemption of the said party of the first part, its successors or assigns therein, at public vendue, upon any part of said premises or at such other place in said county of Cochise as should be designated in said notice, to the highest bidder for cash, at the time appointed in such advertisement, or to adjourn the sale from time to time at his discretion, and upon the making of such sale, to execute and deliver to the purchaser or purchasers a deed or deeds of conveyance in fee of the premises so sold.
