DR. MINTIE.

THE SPECIALIST,

No. 11 KEARNY ST., SAN FRANCISCO, CALIFORNIA.

Treats all Chronic, Special and Private Diseases with Wonderful Success.

The Great English Remedy

Is a never failing cure for nervous debility, exhausted vitality, seminal weakness, spermatorrhea, lost manhood, impotency, paralysis, and prostatorrhoea, and all the terrible effects of self abuse, youthful follies and excesses in mature years—Such as loss of memory, lassitude, nocturnal emission, aversion to society, dimness of vission, noises in the head, "excess in drinking intoxicating liquors," the vital fluid passing unobserved in the urine, and many other diseases that lead to insanity and death.

Dr. Mintie, who is a regular physician, graduate of the University of Pennsylvania, will agree to forfeit five hundred dollars for a case of this kind that the Vital Restorative (under his special devise and treatment) will not cure, or for anything impure or injurious found in it. Dr. Mintie treats all private diseases successfully without mercury. Consultation free. Thorough examination and advice, including analysis of urine, $5. Price of Vital Restorative $1.50 a bottle, or four times the quantity for $5; sent to any address upon receipt of price, or C. O. D., secured from observation and in private name, if desired, by DR. MINTIE, 11 Kearny street, San Francisco, Cal.

PREPARED BY

Ayer's Sarsaparilla,

which is sufficiently powerful to expel from the system even the taint of Hereditary Scrofula.

The medical profession endorse AYER'S SARSAPARILLA, and many attestations of the cures effected by it come from all parts of the world. It is, in the language of the Hon. Francis Jewett, ex-State Senator of Massachusetts and ex-Mayor of Lowell, "the only preparation that does real, lasting good."

Surface Indications

What a miner would very properly term "surface indications" of what is beneath are the Pimples, Blotches, Sore Eyes, Boils, and Cutaneous Eruptions with which people are annoyed in spring and early summer. The effete matter accumulated during the winter months, now makes its presence felt, though Nature's endeavors to expel it from the system. While it remains, it is a poison that festers in the blood and may develop into Scrofula. This condition causes derangement of the digestive and assimilatory organs, with a feeling of generation, languor, and weariness—often lightly spoken of as "only spring fever." These are evidences that Nature is not able, unaided, to throw off the certain atoms which weaken the vital forces. To regain health, Nature must be aided by a thorough blood-purifying medicine; and nothing else is so effective as

Ayer's Sarsaparilla.
