Robbed the Grave

A startling incident, of which Mr John Oliver of Philadelphia, was the subject is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in my back and sides, no appetite gradually growing weaker day by day. Three physicians had given me up. Fortunately a friend advised trying Electric Bitters; and to my great joy and surprise the first bottle made a decided improvement. I continued their use for three weeks and am now a well man. I know they saved my life and robbed the grave of another victim. No one should fail to try them. Only 50 cts per bottle at all druggists.

Through Tourist Seepers to the northwest.

The Burlington Route has established a twice a week tourist car line from Kansas City to Butte, Spokane, Tacoma and Seattle. Cars leave Kansas City, Lincoln and Grand Island every Tuesday and Thursday, arriving at Seattle following Friday and Sunday. They are upholstered in rattan. The bedlinen and furnishings are clean and of good quality. The heating, ventilating and toilet arrangements are all that can be desired and each car is in charge of a uniformed Pullman porter, whose sole duty is to attend to the wants of passengers. Cars run through without change of any kind and the berth rate from Lincoln to Tacoma or Seattle is only $5.00. To intermediate points, it is proportionately low.

Montana and the Puget Sound country are now enjoying a period of unexampled prosperity. As a consequence, travel to the Northwest is rapidly attaining large proportions. This new tourist car line has been established with a view of caring for the Burlington's share of it in the best possible manner. Berths, tickets and full information can be had on application to any Burlington Route ticket agent or by addressing J. Francis, G.P.A. Omaha Neb. June 26th.

I have been afflicted with rheumatism for fourteen years and nothing seemed to give any relief. I was able to be around all the time, but constantly suffering. I had tried everything I could hear of and at last was told to try Chamberlain's Pain Balm which I did, and was immediately relieved and in a short time cured. I am happy to say that it has not since returned. —JOSH. EDGAR, Germantown, Cal. For sale by all druggists.
