The Rexall Store's 1c Sale

Next Thursday, Friday and Saturday

What Is A 1 Cent Sale ?

It is a sale where you buy an item at the regular price—then another item of the same kind for 1 cent. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

A New Way of Advertising !

This sale was developed by the United Drug Company as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full-sized package of high standard merchandise for 1c. It costs money to get new customers, and the loss of this sale will be well spent if the goods please you.

HUNDREDS OF HOUSEHOLD REMEDIES, TOILET GOODS, AND FOOD PRODUCTS WHICH CANNOT BE ENUMERATED IN THIS SPACE. PLEASE CALL AND GET LIST.

Also a number of articles in our Jewelry Department on which we are overstocked, and ranging in price from $3 to $5. At this sale we will GIVE THEM AWAY AT $1.50.

Melons on ice at Death's Grocery.

NOW HOLLER "KEEP IT"

In former days when a fan caught a foul ball hit into the grand stands he would yell "Hide him!"

Today they holler "Keep it!"

Baseballs cost the magnates $2.50 apiece, we understand. Yet some think nothing of pocketing a ball when they'd hesitate over pinching a textile in a drygoods store.

The principle is the same.

New York city is without a track where clubs can hold meets and charge admission, except the old Celtic park race track on Long Island.

ORGANIZE "KNOT HOLE" GANG

Joplin Club of Western League Planning to Admit Kids Into Park for Small Fee.

The Joplin club will organize a "Knot Hole" gang among the kids of the town and let them in for 10 cents a throw. Since Joplin, by its arrangement with the Western league, does not split receipts but gives the visiting club a set guarantee of $100 a game it can open its gates free, so far as other clubs are concerned. Joplin in its first home stand drew an average of better than 800 paid admissions per game, so that the other clubs of the league lost money by making the guarantee arrangement.
