LIFE INSURANCE COMPANIES

They Are Closely Observing Public Health Conditions.

An examining physician for one of the prominent Life Insurance Companies, in an interview on the subject, made the astounding statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease.

According to this it would seem that a medicine for the kidneys, possessing real healing and curative properties, would be a blessing to thousands.

Dr. Kilmer & Co., Binghamton, N. Y., who prepare Dr. Kilmer's Swamp-Root, the well-known kidney, liver and bladder remedy, claim that judging from evidence received from druggists everywhere who are constantly in touch with their customers, and also unquestionable proof in the form of grateful testimonial letters from thousands of reliable citizens, this preparation is remarkably successful in sickness caused by kidney and bladder troubles. Every interesting statement they receive regarding Swamp-Root is investigated and no testimonial is published unless the party who sends it is reported of good character. They have on file many sworn statements of recoveries in the most distressing cases. They state that Dr. Kilmer's Swamp-Root is mild and gentle in its action and its healing influence is soon noticed in most cases.

Swamp-Root is purely an herbal compound and Dr. Kilmer & Co. advise all readers who feel in need of such a remedy to give it a trial. It is on sale at all drug stores in bottles of two sizes—50c. and $1.00. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper. Adv.

His Own Medicine.

A medical practitioner on board an ocean liner administered, rather freely, sea-water among the patients who were ill. No matter what their ailments were, a dose of the briny fluid was quickly handed to them, and they were told to drink it up.

One morning the physician fell overboard, which caused quite a consternation among the passengers. The captain came to the scene and inquired the cause.

"Oh, it's nothing, sir," answered one of the sailors, "only the doctor has fallen into his own medicine chest."

IF HAIR IS TURNING GRAY, USE SAGE TEA

Don't Look Old! Try Grandmother's Recipe to Darken and Beautify Gray, Faded, Lifeless Hair.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant. Adv.
