cent.—After a full examination I find that the editor of the Jasper News is the publication of my name with a joke did so upon what he thought was reliable information and that it was not his desire to cast any reflections upon me.

I therefore offer an apology for the harsh manner in which I addressed the Jasper News through the columns of the Democrat last week and withdraw from the public the open letter referred to with its reflections upon the truthfulness of the editor.

At the same time I reiterate that I had nothing whatever to do with the Jasper episode and regret that those connected with it should have brought my name into the affair.

Yours truly,

C. D. BLACKWELL.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
