BURGESS CONVICTED AND SENTENCED.

Auburn, N. Y., April 4.—At 7 o'clock to-night the jury in the case of Charles Burgess, charged with the murder of Henry V. Whitlock, of North Victory, rendered a verdict of guilty. Before 8 o'clock the defendant was in Auburn Prison under sentence of death during the week beginning May 17.

The atrocious crime for which Burgess was convicted was committed on the night of August 6 last. Burgess, a farm hand, lured his employer from his bed by announcing that the cows were in the corn. Mr. Whitlock hastened out to a lonely field, where Burgess, who led the way, suddenly turned on the farmer and brained him with an axe, which was carried ostensibly to repair the broken fence. Throwing the murdered man's body over the fence, the murderer ran to the house, and, after a frightful struggle with his victim's wife, outraged her and fled. For two days he was in hiding, and eluded the search of his excited pursuers. Finally he was forced by hunger and thirst to crawl out of his place of concealment in a hay mow four miles from the scene of his crime, and he gave himself up to a former friend.

The trial, which lasted two weeks, attracted widespread attention. The defence was insanity, and a contest of unusual vigor was waged to save the man's life. The defendant carried out the theory of insanity to the very end, and when the fatal words were spoken by the foreman of the jury, he never exhibited a tremor.

TOBACCO TRUST MAY BE ENJOINED.

It was reported yesterday that the Committee on Stock List of the Stock Exchange would at its meeting to-morrow consider the course of the American Tobacco Company in relation to dividends on its common stock. The course has been severely criticised in Wall Street. If this committee deems it desirable to strike Tobacco stock off the list, or to take other action, it will make a recommendation to the Governing Committee. There is talk that an injunction will be obtained to prevent the payment of the cash dividend of 2 per cent and the scrip dividend of 20 per cent which were declared on the common stock.
