Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, pastor of the First M. E. Treating Wrong Disease.

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only *symptoms* caused by some uterine disease. The physician, ignorant of the *cause* of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause* would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native medicinal roots and is perfectly harmless in its effects *in any condition of the system.*

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

Mrs. Corey Given Divorce.

Reno, Colo., Aug. 1.—Mrs. William Ellis Corey, wife of the president of the United States Steel corporation, was awarded a divorce in the second district court of Nevada, sitting at Reno, at 2 o'clock Monday afternoon. The case was submitted without argument, and the jury took but one ballot. It was out but a few minutes. Mrs. Corey was in tears when told that she had been given a decree, and the custody of her 16-year-old son, Allan Corey. She drove at once to her home on Riverside avenue, where she says she will continue to reside. No evidence was submitted by the defense, and there was no argument.

WOMAN ACTED AS MOTORMAN.

Took Charge of Car In Order to Catch Train.

Chicago, Aug. 1.—Passengers on a south bound Halsted street car were panic-stricken when a woman pushed the motorman from the front platform and ran the car at a high speed for nearly a mile.

No stops were made for passengers to get on or off, and the car collided with coal wagons and other vehicles along the route.

Several women in the car, thinking that an insane person was at the lever, became hysterical, and had to be held by the male passengers to prevent them from leaping to the street.

The woman who caused the excitement was Mrs. S. H. Caldester, of Evergreen Park, 14 miles southwest of Chicago. She wanted to catch a Grand Trunk train at the Halstead and Forty-ninth street station, and for that reason took possession of the car.

The conductor, assisted by several men, overpowered her after she had run the car six blocks and took her to the Halstead street police station. She convinced the police that she was not insane and was released.
