Mr. G. E. Douglass was in this city yesterday morning.

Mr. Eulie Hopkins spent the day with Mr. Archie Woodward yesterday.

Mr. S. A. Johnson, one of our Ocklockonee boys, departed from his friends a few days ago for Dallas, Texas.

AN AWFUL ERUPTION.

Of a volcano excites brief interest, and your interest in skin eruptions will be as short if you use Bucklen's Arnica Salve, their quickest cure. Even the worst boils, ulcers, or fever sores are soon healed by it. Best for Burns, Cuts, Bruises, Sore Lips, Chapped Hands, Chilblains, and Piles. It gives instant relief. 25c at all drug stores. 8

WILL CONSIDER FUEL WOOD RATES.

CATARRH CANNOT BE CURED

With LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. BRIGHT BUDGET

Of News From the Pretty Little Town of Woodville.

Woodville, Fla., March 14, 1910.

Editor True Democrat:

The farmers hereabout are making good use of the beautiful spring weather in planting sugar cane, larger crops of corn and peanuts, to say nothing of numerous gardens, all of which goes to prove that this part of old Leon county is a most desirable section for industrious farmers to live.

The Rev. W. G. Fletcher, formerly a missionary to Cuba, now stationed at Tallahassee, will preach here in the Methodist church on Wednesday night, March 23d. All welcome.

Messrs. J. D. Stoutamire and H. L. Gregory, our well known countrymen and candidates are paying our town a visit.

Next Sunday is regular preaching day at the Methodist church. All are invited to attend.

Miss Pearl Dykes, after spending some days with relatives in Tallahassee, returned Monday, accompanied by her cousins, Misses Minnie and Bertie Boatwright, and friends, Messrs. Martin Hurst and Willie Quail.

Mr. Cates, with his new automobile, passed through Woodville going to his home in Wakulla.

Hon. Jacob Miller and Miss Florence Howell made a flying trip to the Capital City Saturday.

Rev. Dorsey and family spent Saturday and Sunday at Wakulla, he filling his regular appointment in the church at that place.

Mrs. Albritten, the beloved wife of our depot agent, has been ill for the past ten days.

Rev. Lawhon preached some excellent sermons to large and attentive congregations at the White Church last Sunday and Saturday.

Mr. John Miller has had a case of the grippe for the past week. We are glad to know he is improving in health now.

Miss Daisy Ferrell has closed her school at Pine Level. She is going to take a normal course with others at the Woodville High School.

We are glad to know that Mr. Archie McCallister, one of our students here, has returned to school again, after spending a week with parents near Crawfordville.

Miss Willie began today to take a normal course at the Woodville High School.

HEAD BACK LEGS ACHE

Ache all over. Throat sore, Eyes and Nose running, slight cough with chills; this is La Grippe.

taken in hot water, sweetened, before going to bed, will break it up if taken in time.

There is only one Painkiller, "PERRY DAVIS'"

Not His Fault.

A story is told of a well known Sheffield tenor who when asked to sing at a dinner, although he had no music with him, went on to the platform to try.

He did his best, but he broke down in the middle and retired.

He was cheered up by an elderly man sitting next to him, who tapped him on the shoulder and said:

"Never mind, lad; tha's done thy best, but t' feller at asked thee to sing owt to be shot!"—London Telegraph.

Had to Do It.

Hogan—Phwat makes ye swally all your dinner in two minutes, Grogan? Are yes atin' on a bet? Grogan—It's for the good av me dyspepay, Molke. Sure, the docther tould me to rist an hour after 'atin', and how else am Oi goin' to get the hour to rist in onless Oi ate loike the divil?—Boston Transcript.

The Higher Court.

"The courts have decided that a woman has no right to open her husband's mail."

"My wife reversed that decision before it was made."—Houston Post.

Still Young.

Teacher—I am surprised that you are not further advanced. You are extremely backward for your age. Little Girl—Yes'm. Mamma wants to marry again.

WORMOLOGY

Should be studied by every parent. If your child is nervous, fretful, starts in it's sleep, is pasty faced, has rings under it's eyes, always seems hungry, is not gaining weight, you can be sure the trouble is worms. White's Cream Vermifuge is an absolute cure for worms. In it's own purgative. 8

Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, unnerving sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. F. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her.

They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid preparations are apt to do.

E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these Pills will be sent free by return mail postpaid. Do it to-day.
