Mrs. E. E. Davis, of San Miguel, Cal., says: "I am trying in a measure to repay the manufacturers of Chamberlain's Cough Remedy for the great good their remedy has done me. For years I was a constant sufferer from weak lungs and bronchial asthma. My rest at night was disturbed by a hacking cough so that I felt miserable the greater part of the time. Many remedieies recommended by friends were tried, none of which proved suitable to my case. I did not experience any beneficial results until I began taking Chamberlain's Cough Remedy. After two bottles of the larger size had been used I am pleased to state my health is better than it has been for years. The soreness has left my lungs and chest and I can breathe easily. It has done me so much good that I want all who are suffering from lung troubles, as I was, to give it a trial." For sale by druggists.

About 400,000 hecteras (nearly 1,000,000 acres) of land in the valley of the Rio Sonora, state of Sonora, will be put under irrigation by the construction of irrigating works near Hermosilla, the contract for which was recently let. The plant will be completed in three years, though water will be supplied to a portion of the land in twelve months from the time work begins.
