A Town's Solid Citizens

Church membership does not insure a man's honesty, integrity or good business sense. But in every town the people who are most active in behalf of the best interests of the community are usually those who are found in the church of their choice regularly on Sunday morning.

Go to Church Every Sunday

Why not emulate Christ's example and yourself go to church—not only this Sunday, but every Sunday. Bring your children to Sunday school. Learn what the Bible teaches about your relation to others. It will mean a happier household and a pleasanter life. The people of our town who make the greatest contribution to the culture of the community go to church.
