Maison Dore.

This old time and popular restaurant still maintains its position as a favorite place for our citizens to regale themselves on all the table delicacies, which are prepared in a toothsome manner and served by polite and attentive waiters. This restaurant makes a specialty of broiled steaks and cutlets, and imports coffee of extra quality, thus being able to furnish the best cup of coffee obtainable in the city. Fresh fish every day, and an elegant chicken dinner every Sunday.

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing syrup, for children teething, is the prescription of one of the best female nurses and physicians in the United States and has been used for over forty years with never failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child of pain, cures dysentery and diarrhoea, griping in the bowels, and wind colic. By giving health to the child it gives rest to the mother. Price 25 cents a bottle. (4020-1)

Mr. Moore, the Post Master at Bradshaw, Va., after reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, concluded to try a small bottle of it. He says: "I used it in two cases for colic and three for diarrhea with perfect satisfaction. One dose gave relief in every case but one, that was a bad case of colic and required the second dose. I have handled a great deal of patent medicine as agent and for my own use, but never tried any that gave as good results as "Chamberlain's Colic, Cholera and Diarrhea Remedy." For sale at 25 and 50 cents per bottle by H. J. Polo.

S.S.S.

I am satisfied that Cancer is hereditary in my family. My father died of it, a sister of my mother died of it, and my own sister died of it. My feelings may be imagined, then, when the terrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way that it could not be cut out. Numerous remedies were used for it, but the Cancer grew steadily worse, until it became that I was doomed to follow the others of the family. I took Swift's Specific, a bottle, from the first day, forced out the poison, and continued the use until I had taken several bottles, when I found myself well. It [illegible] S. S. S. cured me.
Winston, N. C., Nov. 24, '88. Mrs. S. M. Ingram.

Of failing health, whether in the form of Night Sweats and Nervousness, or in a sense of General Weariness and Loss of Appetite, should suggest the use of Ayer's Sarsaparilla. This preparation is most effective for giving tone and strength to the enfeebled system, promoting the digestion and assimilation of food, restoring the nervous forces to their normal condition, and for purifying, enriching, and vitalizing the blood.

Failing Health.

Ten years ago my health began to fail. I was troubled with a distressing Cough, Night Sweats, Weakness, and Nervousness. I tried various remedies prescribed by different physicians, but instead of growing better I could not even keep myself standing up at work. My friends recommended me to try Ayer's Sarsaparilla, which I did, and I am now as healthy and strong as ever.—Mrs. E. L. Villeneuve, Albuquerque, N. M.

I have used Ayer's Sarsaparilla in my family, for a decade, and know, if it is taken faithfully, that it will thoroughly eradicate the hereditary diseases. I have also prescribed it in my practice as well as an alterative, and have found it a powerful and reliable blood purifier. I feel it to be my duty to make this statement.—H. J. Gould, Iron Hill, Md.

Swift's Specific has cured me of a malignant boil on my leg, which had [illegible] for years. It was called leprosy by the doctors—four of whom treated me with no relief. I candidly consider I owe my present good health to S. S. S., which in my estimation is invaluable as a remedy.

Our baby when two months old was attacked with scrofula, which for a long time disfigured her exceedingly, and caused us to despair of her life. The doctors failed to relieve her, and we gave Swift's Specific, which soon cured her entirely, and she is now fair and hearty. L. V. Dunn, Wills Point, Texas.

Day and Night

During an acute attack of Bronchitis, a ceaseless tickling in the throat, and an exhausting, hacking cough, harass the sufferer. Sleep is banished, and great prostration follows. This disease is also attended with Hoarseness, and sometimes Loss of Voice. It is liable to become chronic, involve the lungs, and terminate fatally. Ayer's Cherry Pectoral affords speedy relief and cure in cases of Bronchitis. It controls the disposition to cough, and induces refreshing sleep.

I have been a practising physician for twenty-four years, and, for the past twelve, have suffered from annual attacks of Bronchitis. After exhausting all the usual remedies

Without Relief,

I tried Ayer's Cherry Pectoral. It effected a speedy cure.—G. Stovall, M. D., Carrollton, Miss.

Ayer's Cherry Pectoral is decidedly the best remedy, within my knowledge, for chronic Bronchitis, and all lung diseases.—M. A. Rust, M. D., South Paris, Me.

I was attacked, last winter, with a severe Cold, which grew worse and settled on my Lungs. By night sweats I was reduced almost to a skeleton. My Cough was incessant, and I frequently spit blood. My physician told me to give up business, or I would not live a month. After taking various remedies without relief, I was finally

Cured By Using

two bottles of Ayer's Cherry Pectoral. I am now in perfect health, and able to resume business, after having been pronounced incurable with Consumption.—S. P. Henderson, Saulsburgh, Penn.

For years I was in a decline. I had weak lungs, and suffered from Bronchitis and Catarrh. Ayer's Cherry Pectoral restored me to health, and I have been for a long time comparatively vigorous. In case of a sudden cold I always resort to the Pectoral, and find speedy relief.—Edward E. Curtis, Rutland, Vt.

Two years ago I suffered from a severe Bronchitis. The physician attending me became fearful that the disease would terminate in Pneumonia. After trying various medicines, without benefit, he prescribed Ayer's Cherry Pectoral, which relieved me at once. I continued to take this medicine, and was cured.—Ernest Colton, Logansport, Ind. tf
